

COUNTIANS WIN 13 PRIZES AT 4-H PIG SHOW

The entry of John Wagaman, Littlestown R. D., won the championship of the Hampshire breed at the annual York-Adams 4-H pig show and round-up held Wednesday at Thomasville. One hundred twenty-five animals were entered in the events.

Walter Beaton, also of Littlestown R. D., and, like Wagaman, a guest at the Hoffman home, won second highest place in the fitting contest among all of the 4-H members entered in the events.

The Adams County youths won three first places, two second places, one third, three fourths, a fifth, two sixths and a seventh place in the events.

OTHER WINNERS

John Wagaman's champion Hampshire won first place in the light mediumweight class before the 190-pound animal took the top honor as best of breed.

His brother, Gerald Wagaman, took first place in the heavyweight Hampshire class with a 235-pound entry and Sheldon Lear, Littlestown R. D., took first place in the mediumweight Hampshires with his entry.

The Adams Countians made almost a clean sweep in the Hampshire light medium class. John Wagaman was first; Eugene Rhodes, second; James Brooks, third; George Henninger, fourth; Bill Linebaugh, fifth, and Robert Buchanan, sixth. All are of Littlestown R. D.

In the mediumweight Hampshire class Lear was first; John Wolf, second; Walter Beaton, fourth, and Samuel Welsh, seventh. Gerald Wagaman, who took first, was the only Adams County entry in the heavyweight Hampshire class. Two Dillsburg R. D. youths, Wayne and David Boserman, took fourth and sixth respectively in the York mediumweight class.

Weddings

Baughman-Lippy
Miss Judith Carole Lippy, daughter of Mr. and Mrs. Alfred T. Lippy, 132 E. King St., Littlestown, and Jan Eugene Baughman, 502 N. Franklin St., Hanover, son of Mr. and Mrs. Eugene Baughman, 106 Allegheny Ave., Hanover, were united in marriage on Sunday at 3 p.m. in Redeemer's United Church of Christ, Littlestown.

The Rev. Glenn Flinchbaugh, pastor, performed the double-ring ceremony. Mrs. George A. Stoeser, church organist, presented a 15-minute recital prior to the ceremony and played the traditional wedding marches. The church was decorated with bouquets of snapdragons, carnations and pompons, ferns and palms.

The bride, who was given in marriage by her father, was attired in a street-length gown of white lace over satin. The gown was styled with a scoop neckline and fitted bodice, and the sleeves ended in a point over the hand. Her shoulder-length veil was caught by a crown of pearls. She carried a bouquet of white roses, stephanotis and foliage.

Miss Donna Milio, sister of the bridegroom, 106 Allegheny Ave., Hanover, was maid of honor. She wore a pink street-length gown with matching jacket and carried a bouquet of pink and white chrysanthemums.

The bridegroom chose for his best man Paul Geary, Cambridge, Ohio, a friend. Serving as ushers were Theron J. Basehoar, Littlestown, uncle of the bride, and Chuck Kapp, Hanover, friend of the bridegroom.

Immediately following the ceremony, a reception was held in the church social hall with approximately 60 wedding guests in attendance. The newlyweds are residing at 300 W. Walnut St., Hanover.

The bride attended Littlestown High School and is employed by the Middleburg Manufacturing Company, Hanover. Her husband was graduated from Eichelberger Senior High School, Hanover, in 1959, and is presently serving with the U. S. Army stationed at the Army Physical Center, New York, N. Y.

PLAN NATURE CAMPOREE FOR BOY SCOUTS

Plans for the Conservation and Nature Camporee to be held by the Black Walnut Boy Scout District October 13 and 14 at Pardee Field were outlined by Paul Hollinger, district camping and activities chairman, at Wednesday night's meeting of the district committee at the engine house.

Hollinger and Scout Field Executive Stanley C. Rogers said the camporee will be designed to teach nature and conservation. Exhibits of birds and reptiles and the calls and noises of those animals; exhibits of trees and leaves will be among the materials to be used in the instructional course. In addition the campers will have to prepare food directly from raw materials. No prepared mixes will be allowed.

Finance Chairman Daniel E. Teeter reported preliminary plans for the finance drive for 1962. He urged the Gettysburg units to assist the Community Chest in its campaign to raise funds for the Scouts and other organizations here. He also announced preliminary plans for the annual fund drive in the county starting during Boy Scout Week in February.

LISTS ADVANCEMENTS

Advancement Chairman Donald Carver reported advancement of David Griffith and Thomas Taylor, both of Troop 75, to Star Scout, and the advancement of Robert J. Althoff of Troop 84 and William Shook of Troop 89 to Life Scout at a board of review held at the engine house immediately prior to the district committee meeting.

Assisting Carver on the board of review were Herbert H. Frueham and Mahlon P. Hartzell Jr. Sebastian Hafer was appointed chairman and Crosby N. Hartzell assistant for the annual district dinner meeting to be held November 8. Named to the nominating committee to report at that session were Dr. W. E. Tilberg, Attorney Edward B. Bulleit, Attorney Teeter and Melvin Worley.

HAVE 777 SCOUTS

Dr. Joseph H. Riley was named chairman for the annual district Christmas party to be held December 11. He is to be assisted by the camping and activities committee.

Plans were announced for a district round table for Cub, Scout and Explorer leaders to be held September 26 at the West St. branch of the Gettysburg National Bank.

A calendar prepared by Troop 75 was shown the committee which voted to send copies to all Scout organizations of the district as a model for other units to adopt. Sebastian Hafer presented the financial reports for the recent Tolchester trip and last year's November banquet meeting.

Reports at the meeting showed there are now 777 boys and 334 adults registered in the district. The group set 1,000 boys as a goal to be reached by December 31.

1,950 Doe Licenses Go On Sale Today

County Treasurer Clark Spence today announced he is accepting applications for doe licenses starting today.

With only 1,950 doe licenses available for the county, all of them obtainable only through the county treasurer's office, Spence said he was adopting the "application" system to guarantee that county residents would have "first crack" at the special licenses.

Persons desiring a doe license should write the treasurer or visit his office at the courthouse. Cost of the doe license will be \$12.35, of which \$1.15 will be for the license and eight cents for the cost of mailing it when the licenses go on sale October 9.

A person seeking a doe license must first have a regular doe license which costs \$3.15 plus the eight cents for postage. Spence said he planned this year to handle all of the doe licenses by mail.

HOWE SERVICES HELD

Commissioners Plan Tax Statement

The Adams County Commissioners at their meeting Wednesday announced they plan to make a statement concerning the status of the new occupation assessment and the county's position in regard to use of the assessment by the county. Also to be included in the statement will be information concerning the times and places for appeals from the occupation assessments recently given countians.

The statement is being prepared by the solicitor for the commissioners, Attorney Charles Wolf, and the clerk to the commissioners, Crosby N. Hartzell. Wednesday it was said that the statement will probably be made available to the press today.

At Wednesday's meeting the commissioners held the first eight of 32 appeals on real estate assessments. Five more are scheduled to be heard this afternoon. The remainder will be heard on the remaining Wednesday afternoons of this month.

Blame Driver In \$2,000 Mishap Here

Damage totaled \$2,000 in a two-car accident at the intersection of Baltimore St. and Steinwehr Ave. about 6 o'clock Wednesday evening, borough police reported.

They said that Sam S. McNair, 36, Fairfield, R. 2, failed to stop at a red light as he was driving north in a 1961 Chevrolet and struck another '61 Chevrolet sedan driven by John H. Rodgers, Jr., 20, Plainfield, N. J., who was headed south. Damage totaled \$1,000 to each car.

Police said McNair will be charged with failing to stop at a red light before Justice of the Peace Robert P. Snyder.

STOCKS NEAR RECORD

NEW YORK (AP)—Motors and other industrials continued to pace a stock market advance in fairly active trading early this afternoon, putting the list on new high ground.

The Associated Press average of 60 stocks at noon was up 1.00 to 257.10 with industrials up 1.90, rails up .40 and utilities up .30. If the AP 60-stock average holds its gain by the market close it will top the previous record of 257.00 reached August 22.

GOP REPORTS CANDIDATES ON FALL SLATE

A Republican slate for the fall election was established for Bonneville at a meeting of the Mt. Pleasant Twp. Republican Committee Wednesday evening at the Bonneville firehouse.

Meeting with Republican County Chairman H. Earl Pitzer, the three Republican committeemen, Guy S. Sanders, Glenn R. Showvaker and Marcia L. Staub, selected this slate to appear as the Republican candidates on November's ballot in the new borough of Bonneville.

Councilmen, Marie A. Arthur, Dale R. Felix, Agnes H. Hunter, Eugene A. Melhorn, May Lou Showvaker, Augustus Shorb, Bertha Myers; inspector of elections, Guy S. Sanders, judge of elections, Mary Lou Keiser; auditor, Glenn R. Showvaker, Howard G. Myers and Ambrose P. Martin; tax collector, Marcia L. Staub, and assessor, Francis Shanebrook.

The Republicans did not select a candidate for mayor and as a result the Democratic candidate, Joseph Clabaugh, will be unopposed at the first election held in the new borough.

The selection of candidates just about exhausted the number of Republicans in the new borough — 20 are listed as Republican voters in the town.

The committeemen and county chairmen finished out the slates for the remainder of the township, providing new nominees where needed, and using those previously nominated where such nominations had been made last spring of persons still residing in the township. Changes in the Mt. Pleasant voting districts brought about by the establishment of Bonneville as a borough resulted in some withdrawals of previously nominated persons.

The new slates are Mt. Pleasant No. 1, judge of elections, James Croft; inspector of elections, Kathryn A. Leatherman; Mt. Pleasant No. 2, judge of elections, Mark Stock; inspector of elections, Emory Krise. Township-wide offices, auditor, Jackie W. Chambers; assessor, Laverne Duttera; tax collector, John L. Herman; New Oxford school director, Vernon Rife; Mt. Pleasant Twp. school directors, Garland E. Leatherman and Roy C. Snyder; supervisor, Louis W. Wagaman (who was nominated on both tickets at the spring primary. Wagaman is a Democrat).

MRS. HARBAUGH HEADS SCHOOL

Mrs. Marie J. Harbaugh, R. 5, has been named Adams County chairman for the Democratic local election campaign school to be held Saturday, September 16, at Lebanon.

Mrs. Harbaugh will head a contingent from Adams County attending the meeting held for an area including Adams, Berks, Chester, Cumberland, Dauphin, Delaware, Lancaster, Montgomery and Perry Counties. The session is one of seven being held throughout the state by the Pennsylvania Democratic state committee and the Pennsylvania Federation of Democratic Women.

Announcement of Mrs. Harbaugh's appointment was made by Mrs. Louise M. Johns, vice chairman and director of women's activities of the Pennsylvania Democratic state committee, and Mrs. Margaret D. Gastrock, president of the Pennsylvania Federation of Democratic Women.

Anne X. Alphen, recently appointed justice of the Pennsylvania State Supreme Court and Democratic candidate for a full term in the court, will be a featured speaker at the school.

Miss Genevieve Blatt, state treasurer; Grace M. Sloan and Mrs. John will be among the moderators at panel discussions. Toastmistress at the luncheon will be Mrs. Emma Guffey Miller, Pennsylvania Democratic national committeewoman and chairman of the national woman's party.

To Sponsor Dance After Game Friday

The High School Parents' Club, made up of parents of members of the senior high school football squad, will sponsor a dance at the school after Friday night's game with Westminster. Funds raised at the dance will help take the senior grid squad to see a Colts' game this fall.

During the dance, the parents' group will hold a business meeting and elect its first set of officers. The nominating committee includes Mrs. Edgar Hafe, Mrs. Curt Eckert and Edwin Longenecker.

Club leaders say they have received an invitation from officers of the local VFW to take the squad there after a home game this season for a dinner. The A. and W. root beer establishment along the Harrisburg Rd. is offering squad members gift coupons after a winning football game.

TWENTY YEARS AGO

Bury Mother Of President
Tuesday; Many Messages Of
Sympathy Flood Hyde Park: The
President's mother is dead; and
a nation joined its Chief Executive
in mourning today.

Mrs. Sara Delano Roosevelt,
who thrice saw her only son in-
augurated as President of the
United States, died yesterday at
the rambling old house which
has been the Roosevelt family
home for three quarters of a century.
She would have been 87
years old on September 21.

Her death, attributed largely
to her advanced years, resulted
in the postponement from tonight
until Thursday night (at 9 p.m.
EST) of a Presidential radio ad-
dress which the White House
said would be of "major impor-
tance."

Fall From Vine Fractures
Arm: Harry Moser, 14-year-old
son of Mr. and Mrs. Harry Moser,
East Middle Street, was x-rayed at the
Warner hospital this morning for fractures to
both bones in his left arm. He was in-
jured Sunday when a vine on
which he was swinging broke,
throwing him to the ground.
Richard Shoemaker, seven-year-old
son of Mr. and Mrs. Roderick
Shoemaker, Emmitsburg, re-
ceived treatment for a fracture
of his right wrist and multiple
lacerations and abrasions of the
face received in a fall from a
horse.

**Historians Come Here In Oc-
tober:** Historians from all parts
of the state will come to Gettys-
burg on October 24 and 25 for the
annual meeting of the Pennsylv-
ania Historical Society. The Hotel
Gettysburg will be convention
headquarters.

The two-day program will open
with a luncheon at 12:30 o'clock
Friday afternoon, October 24,
with S. K. Stevens, historian of the
State Historical Commission,
presiding. There will be an ad-
dress by J. Knox Milligan, state
supervisor of the Pennsylvania
Historical Survey.

The afternoon meeting will be
presided over by Leroy J. Kohler
of Stroudsburg State Teachers
College. H. M. J. Klein, of
Franklin and Marshall College
will speak on the subject of "The
Church People in Colonial Penn-
sylvania" and there will be an
address by Raymond Wolf Al-
bright, Temple University, on
"The Sect People in Colonial
Pennsylvania."

**High School Expects Peak In
Enrollment:** With an expected
enrollment of 676 pupils, Gettys-
burg High School will have the
largest student body in its his-
tory when the 1941-1942 school
term opens. Superintendent
Lloyd C. Keetbauer told mem-
bers of the Gettysburg school
board at the regular September
meeting Monday evening at the
high school building.

The largest senior class ever
enrolled will be in the school this
year and is expected to number
143. The other classes follow:
Juniors, 160; sophomores, 179,
and freshmen, 194. The total en-
rollment will be 40 to 50 pupils
above the previous high of last
year. The 1940-1941 term was the
first that an enrollment of more
than 600 was maintained through-
out the end of the school year.

**Borough To Retire More
Loans:** All of Gettysburg's cur-
rent debts will be paid off on
September 15 when Borough
Treasurer Fred G. Pfeffer re-
tires \$4,000 in loans from the lo-
cal banks, it was disclosed at the
September meeting of the bor-
ough council, Monday evening.

The borough treasurer paid off
\$6,000 last month bringing to
\$15,000 the total amount of the
temporary loans retired since
January 1.

Today's Talk

THAT "GET THERE"
I watched a horse race at a
county fair one summer. There
were four starters. I watched the
first half mile; then I picked the
one I thought would win. This
horse was not then leading.
I noticed that all but this one
jockey and his horse kept plung-
ing forward in spurts, now one,
now the other. But the horse I
had picked had a steady gait and
its driver seemed to urge little
by little, little by little, until on
the homestretch he passed them
all and won.

To myself I said: "That man
and horse had the get-there
spirit."
Very little is achieved by
spurts and sudden starts. There
must be a real urge of vital
meaning back of any desire to
win anything that is worthwhile
and permanent.

I often meet a man whose per-
sonality radiates what he is. He
has that get-there spirit. Of
course he doesn't always win
what he sets out to get. My, no!
That would soon slow him up and
he would probably grow stale.

No one can—or ought—to win
all the time!
We need all the opposition and
hardships that come our way to
smooth us into fighters for the
days of tasks that call for iron
nerve and—that get-there.

Honesty isn't enough, willing-
ness isn't all. There has to be de-
sire to win, that determination to
keep passing your best in order
that success may be able to
smile upon you.

When things get dark and
rather muddled up it's fine to be
able to reach into some hidden
corner of your make-up and say:
"Oh, here is just what I need at
this special moment, my get-
there spirit!"

So, without any foolish display
of the fact, keep in reserve that
"get-there" of yours.

Tomorrow Mr. Adams will talk
on the subject: "Not So Fast!"

Just Folks

FROM HIS POINT OF VIEW
There, there, little boy, I wouldn't
cry;

Come wipe the tear from your
bright, blue eye;
The frowns that pucker your
pretty face

And wrinkle your visage are out
of place.
I wouldn't cry, it is over now;
I'd laugh—yes, that is what I
would do.

"You wouldn't laugh," he sobbed
to me,
"If Ma had had you across her
knee."

Come, come, little boy, see the
sun is out;
This is no time for you to pout.
I wouldn't cry, it is over now;
Rub out the frowns that line your
brow.

If I were a nice little boy, like
you,
I'd laugh—yes, that is what I
would do.

"Oh, no you wouldn't," he sobbed,
"If you
Had stummkie ache doubling you
in two."

There, there, little boy, come dry
your eyes;
Why even the sun laughs in the
skies.

Come, come, little boy, let us
romp in play
And let me rub all your frowns
away.

If I were a nice little boy, like
you,
I'd laugh—yes, that is what I
would do.

"I don't think you would,"
sobbed the boy so wise,
"If Ma rubbed soap into both
your eyes."

TV HOST JOB
IS TOUGH ONE
SAYS POWELL

By CYNTHIA LOWRY
AP TV-Radio Writer
HOLLYWOOD (AP) — "One of
the hardest jobs in television,"
said Dick Powell, "is being the
host on a show. What do you say
for 45 seconds at the beginning
of the show when you really
haven't anything to say except
please watch?"

Broadcasting — including radio
— certainly did not invent the
"host" or "master of ceremonies,"
but because of its require-
ments it certainly has brought it
to the full, if not finest, flowering.
There are today even categories
of hosts.

JOLLY M.C.

One, of course, is the excessive-
ly jolly, hyper-thyroid m.c. of the
day-time audience participation
show with his carefully prepared
little ad libs. His principal re-
quirements are an easy, ceaseless
flow of patter, an ingratiating
manner, a firm hand in steering
the contestants through their
paces and — very important — a
sincere way with commercials.

The other major category is the
"introducing host," whose pri-
mary function is to provide the
one thread that ties a varied as-
sortment of shows into a bundle.

Eminent practitioners of this
specialty are Alfred Hitchcock,
whose gagged-up backgrounds and
mischievous manner lifted host-
manship into a comedy art form;
Boris Karloff, whose on-camera
personality is that of a tongue-in-
cheek bogeyman; Powell, who
prefaced his "Zane Grey Thea-
ter" shows with thumbnail lec-
tures on aspects of life in the Old
West, and a newcomer, Richard
Boone, who has been inviting the
viewers to watch this summer's
re-runs of "Playhouse 90" shows.

Producers of "Thriller," over
which Karloff will preside again
this year, turned the veteran
British actor into a transatlantic
commuter last season. He flew
from his London home to Holly-
wood every eight weeks.

Karloff was busy the other day
making a fall batch of introduc-
tions (13, to be exact) and was
busily leering at the camera while
inviting the public "to a feast of
fear and trembling."

REUTHER WILL
CALL ON FORD
AFTER GM PACT

By DWIGHT PITKIN
DETROIT (AP) — Walter P.
Reuther will go calling on the
Ford Motor Co. as soon as he set-
tles on the details of the United
Auto Workers' agreement with
General Motors.

"Ford is the next door I will
knock on," the UAW president
said late Wednesday after recess-
ing his talks with GM until today.
Reuther indicated he was con-
fident of making a final settlement
with GM that will set the pattern
for Ford and Chrysler. He said
there is no pressure now in the
GM negotiations because, "There
is general agreement in all im-
portant areas" of a national eco-
nomic settlement on wages and
extra benefits.

ESSENTIAL AGREEMENT

GM Vice President Louis G.
Seaton agreed the company and
union were in essential agreement
in the national economic area.
The GM-UAW negotiations are
continuing under a strike truce.
A shutdown of GM plants was
averted Wednesday by extending
the deadline to 10 a.m. Monday.
The union's contract with Ford
and Chrysler were extended to
next Wednesday midnight.

Nearly all of GM's 325,000 hourly
workers stayed on the job. But
there was a rash of wildcat
strikes at seven GM plants.
Reuther predicted operations at
the company's 129 plants will be
normal and workers will be "ela-
ted" when they learn the details of
the economic package.

Reuther told newsmen that he
was "not free to discuss the de-
tails" of the union's agreement
with GM on broad economic is-
sues. The UAW and GM were re-
ported—without confirmation—to
have worked out an arrangement
whereby employees would contrib-
ute three cents in hourly pay to
certain fringe benefits. One cent,
taken from the cost of living pay
increase, would go toward in-
creasing pensions. The other two

NEW CULTURE
HURDLE FACES
PEACE CORPS

UNIVERSITY PARK, Pa. (AP)—
Adopting another country's cul-
ture is one of the toughest hurdles
facing Peace Corps volunteers,
claims a Pennsylvania State Uni-
versity instructor.

"Many Americans are unable
to make the transition to a new
culture and the result often is a
disaster for both them and the
country," Dr. George M. Guthrie
stated in an interview Wednesday.

Dr. Guthrie is assistant director
of the Peace Corps program at
Penn State where some 165 young
men and women have been train-
ing for the past five weeks for
duty on the Philippine Islands.

He cautioned all volunteers to
look upon their assignments with
the attitude that they are going to
learn to live in a new culture—
not to try to change the culture to
fit themselves.

Dr. Guthrie is one of five fac-
ulty members at Penn State who
has spent some time on the Phi-
lippine Islands and who is helping
instruct Peace Corps volunteers.

The group has been training
since July 30. They are expected
to be ready for service in about
two weeks.

Maris Slams 54th, Yanks Take 8-game Lead; White Sox Take 2 From Minnesota

By ED WILKS

Associated Press Sports Writer

Six more. Two every five games. That's all it will take now for Roger Maris to hit 60 home runs and tie Babe Ruth's long elusive record.

After belting No. 54, for his first hit in 17 at bats, as the New York Yankees clobbered Washington 8-0 Wednesday, Maris is seven games ahead of Ruth's record pace of 1927.

Mickey Mantle, who has paired with Maris for half of the Yankees' AL record setting 210 homers this season, was 0-for-2, walking twice Wednesday and now is one game and one home run behind Ruth's pace. Mantle has hit 51.

FORD HITS 23RD

Pushed to the background as Maris' 54th set off an awesome display of five Yankee home runs Wednesday was the fact that Whitey Ford became the first left-hander to win 23 games in the AL since 1952 and that New York powered eight games ahead of idle Detroit.

The Chicago White Sox beat Minnesota twice, 6-3 and 4-2 in 10 innings, and Boston clipped Cleveland 9-4 in the only other AL games scheduled.

Maris' solo home run, his ninth against Washington, broke up a scoreless duel between Ford (23-3) and Tom Cheney (1-3) and got the Yankees started on a five-run fourth inning after two were out. John Blanchard belted two, Bill Skowron and Bob Hale hit the other home runs.

MAGIC NUMBER 16

Ford allowed five hits and struck out seven. The win reduced the Yanks' magic number to 16—any combination of New York victories or Detroit defeats totaling 16 clinches the flag.

The White Sox banged 13 hits, one a homer by Nellie Fox, and beat Pete Ramos (10-17) as Juan Pizarro (13-5) won his seventh in a row in the first game at Minnesota, a replay of Tuesday's 3-3 tie. Two unearned runs in the 10th won the second game for the Sox and Don Larsen (7-1), Camilo Pascual (12-15) was the loser.

Rookie Carl Yastrzemski drove in four runs, three with a homer, for Boston. Rookie Don Schwall (14-4) kept the Indians in check although allowing 11 hits. Jim Perry (9-13) lost it.

EAGLES COULD LOSE 4 BACKS

PHILADELPHIA (AP) — The champion Philadelphia Eagles of the National Football League would lose four topnotch backs if Pennsylvania's 28th National Guard Division is called to active duty in the Berlin crisis.

The 28th Division was tapped Wednesday for intensified training and reinforcement to prepare it for possible call to active duty.

Starting halfbacks Ted Dean and Billy Barnes of the Eagles and reserves Tim Brown and Theron Sapp are members.

NO COLLEGE STARS

The order to begin intensified training, however, is not expected to prevent the Eagles from playing this season as they will be available for evening drills.

Spokesmen for Penn State and Pitt, two football powers in the East, and Bucknell reported that they didn't think any players would be affected on their clubs.

A spokesman for the Pittsburgh Pirates explained that the club doesn't keep any such records, but he didn't think any personnel would be affected.

There was no immediate word from the Pittsburgh Steelers or Philadelphia Phillies.

Liston To Face Trial Sept. 28

PHILADELPHIA (AP)—Heavyweight boxer Charles (Sonny) Liston faces trial Sept. 28 on charges of turning off his car lights to avoid arrest after an incident in Fairmount Park.

Joseph Scanlon, commissioner of jury trials set the trial date Wednesday after Liston pleaded innocent.

Liston and a companion were arrested in the park last June 12 after allegedly forcing a woman motorist to halt her car. A magistrate dismissed the charges, but the district attorney ordered Liston rearrested.

Following the second arrest Liston was stripped of his ranking as No. 1 heavyweight contender and suspended indefinitely by the Pennsylvania Athletic Commission.

RICE, TEXAS RATED STRONG IN SOUTHWEST

By HAROLD V. RATLIFF

Associated Press Sports Writer

DALLAS (AP) — The Southwest Conference football race opens two weeks hence. It won't run according to form because it never does.

Defending champion Arkansas is rated fourth by the experts and Coach Frank Broyles says he doesn't have the defense this year. However, the Razorbacks look stronger offensively.

Rice and Texas are the teams being put on the spot. Rice has more veterans and more seniors and Coach Jess Neely is one of its biggest boosters for his team to win the championship.

TOP RUNNER

Texas Coach Darrell Royal points to too many sophomores in the line although he admits his backfield should compare with any of them. It includes Jim Saxton, one of the nation's top runners.

Offensively Baylor stacks up with anybody, and that includes the line. Defensively though, Coach John Bridgers says, the Golden Bears aren't deep enough.

The only other team given a chance of cracking into the first division is Texas A&M with an experienced squad and some bright sophomores.

LESS EXPERIENCE

Texas Christian has less experience than any time since 1957. Texas Tech doesn't have enough good linemen. Southern Methodist winless last year, will be much better.

All the coaches are agreed that the conference will be its strongest in history, or at least the strongest since the late '30s. However, even then there were only two or three really strong teams. This year there are at least five of national stature.

All County Schoolboy Grid Teams Will Usher In Season This Weekend

All five of Adams County's scholastic varsity football teams are scheduled for action this weekend as the 1961 season makes its debut. On Friday evening the Gettysburg High Warriors meet powerful Westminster here at 8 o'clock while Delone Catholic of McSherrystown clashes with arch rival Hanover on the latter's field, also at 8. Saturday's program finds Littlestown at York Suburban and Berwyn Springs at Northern High in afternoon contests at 2 o'clock while Biglerville tangles with Boiling Springs at Biglerville in the evening at 8.

Coaches of the area teams are unanimous in hoping for cooler weather, all claiming they have had considerable difficulty in getting spirited play from their charges and attributing much of it to the oppressive heat during the past week.

A large crowd is expected here when the Gettysburg Warriors meet the Westminster Owls in the last of a 13-game series. Westminster holds a 7-5 advantage in the previous 12 games, having won the last seven straight decisions.

Coaches Don Young, Carl Schoenborn and Charles Lilly have been working hard with their squad in anticipation of a very stiff battle. Young said today, "Westminster is apparently one of the toughest teams on our schedule and the staff considers it as a most important opponent. We are hoping for all-out effort on the part of our squad as the outcome could be very important in determining what the rest of the season may bring."

Eight of the 12 Warrior lettermen are listed as probable starters against the Owls. They include Gary Nett, 5-11, 150, end; Ron Doaks, 6-0, 170, Ed Hofe, 5-11, 180, or Larry Eckert, 5-8, 222, tackles; John Holoka, 5-9, 163, guard; Ed Zeigler, 6-1, 178, center; Tom Duane, 5-8, 138, quarterback; Dick Uyt, 5-10, 148, and Jim McClell, 5-8, 142, halfbacks, and Paul Plank, 5-6, 189, fullback. The other lettermen, Jim Davies, 5-8, 138, quarterback, and Dave Coshun, 6-1, 174, tackle, are also certain to see a lot of action.

Nonlettermen expected to be in the starting lineup include Bob Beeler, 6-2, 185, end; Rodney Fair, 5-7, 137, guard.

A pair of Sophomores, Jimmy Newman, 5-7, 140, is scheduled as safety man and Joe Riley, also 5-7, 140, will see duty as linebacker.

Westminster comes here with another seasoned team with plenty of weight and experience. Herb Ruby's outfit is rated a strong contender for the Cumberland Valley and Tri-State League titles. They will be backed by a big delegation of fans.

Delone At Hanover One of the opening day features is always the Delone-Hanover neighborhood scrap on the Hanover field and as usual Friday's game is expected to attract a capacity throng for the 28th meeting between the schools. Hanover leads in the series 14-6-2. Last year Delone triumphed 8-6.

Despite the presence of but five lettermen in the opening lineup, Coaches Bucky Kempton, Frank Temme and John Flaherty are entertaining high hopes their Squires will again upend the Nighthawks.

Kempton today announced his probable opening lineup as follows: End, Flavian Smith, 5-10, 170, and Bill Timmins, 6-1, 188; tackles, Pete Giraffa, 5-10, 190, and Donald Price, 5-9, 180; guards, Jerry Loss, 5-11, 172, and John Gallagher, 5-10, 175; center, Mark Long, 5-10, 165; quarterback, Dick Rosensteel, 6-2, 187; halfbacks, Charles Elder, 5-9, 163, and Dick Wierman, 5-9, 163; fullback, Mike Melhorn, 6-0, 190.

Among others certain to see action are: Frank Linn, 6-0, 175, of Gettysburg, and Danny O'Brien, 5-9, 150, ends; Mike Smith, 5-10, 170, tackle; Mike Miller, 5-9, 153, guard; Roger Sanders, 5-10, 135, quarterback; Ed Keffer, 5-9, 160, and Bobby Conrad, 5-10, 158, halfbacks, and Larry Smith, 6-0, 177, and Dennis Hagerman, 6-1, 183, fullbacks.

Hanover lost heavily by graduation last year and has but seven lettermen remaining, only four of whom saw considerable action.

The veterans are Pete Rhodes, 155, and John Bowman, 150, ends; Larry Zinneman, 175, tackle; Wiley Cramer, 145, and Larry Getter, 170, guards; Jack Shafer, 155, quarterback; John Seidenstricker, 150, halfback.

Littlestown At York Ron Lawhead's Littlestown High Thunderbolts begin defense of their Laurel League championship against one of the teams picked as the most formidable contender, York Suburban, on the latter's field Saturday at 2.

The Bolts, three times league champions, are unbeaten in 18 games, one a tie, since their opener in 1959.

The probable starting lineup for the Bolts picked by Coaches Lawhead and his assistants, Jack Bream and Don Kump, include the following: Ends, Don Jones, 5-10, 165; John Strevig, 6-2, 175, or Tim Stites, 5-9, 140; tackles, captain Don Selby, 5-10, 210, and Rod Sponseller, 5-11, 195; guards, Frank Basehoar, 5-11, 160, and captain Jim Rineaman, 6-1, 200; center, Jeff Breighner, 6-10, 195; quarterback, Fred Snyder, 5-10, 150, or Dwight Strieby, 5-9, 150; wingback, Bill Woodward, 5-7, 140, or Strevig; fullback, Buddy Eckert, 5-7, 165; tailback, Dick Motter, 5-11, 160.

In addition to the above those listed for early duty are: Guards, Charles Rager, 5-10, 175, and Aus-

SAYS STADIUM NOT PARADISE FOR HR HITTER

By JOE REICHLER

Associated Press Sports Writer

NEW YORK (AP) — Roger Maris, a man of definite opinion, took issue today with those who claim that Yankee Stadium, a paradise for left-handed hitters, has been helpful in his bid to break Babe Ruth's record.

"I agree that this park has got to help a left-handed hitter like myself," he conceded. "But I still think I'd have hit just as many, or nearly as many, if I were still playing with Kansas City."

"Check my home runs and you'll find that I have hit more home runs on the road than at home. I don't know how many I hit in other parks this year but I know last year I hit 26 or 27 of my 39 on the road."

Maris' home runs, putting him seven games ahead of Ruth's pace when the Babe slammed 60 in 1927, was the 26th at Yankee Stadium. The other 28 have been hit in foreign fields. Mickey Mantle, who walked twice but failed to hit any out of the park, has hit 29 of his 51 in enemy territory.

Maris' homer No. 54 was caught by teammate Bob Hale in the Yankee bullpen. The reserve first baseman presented it to Roger for his collection.

"I began saving them after I reached the 40's," Maris explained. "Every homer I hit after 40 I kept thinking might be my last one so I figured I might as well save them."

Maris writes the date and number on each home run ball that is returned to him. He didn't know how many he had because he gave some of them away to friends.

"No more," he said. "From now on, I'm going to keep every one of them."

The NDEA was enacted in 1958 in response to the challenge of Soviet space achievements. It provides federal aid in strengthening U.S. science, mathematics and language courses in high schools and colleges.

The impacted areas program provides money for construction of schools and payment of teacher salaries in areas crowded with the children of federal employees. Since it was enacted in 1950, \$2 billion has been paid out to 3,800 school districts in every state.

CITIES HOUSE TEMPER

During the brief debate Wednesday, Rep. Adam C. Powell, D-N.Y., chairman of the House Education and Labor Committee, all but closed the door to consideration of any general school aid bill until after next year's congressional election.

He said the temper of the present House indicated no worthwhile program could be enacted.

Dodgers Edge Within Game Of Reds; Spahn's Shutout Of Phils Breaks Ed Plank's Mark

By ED WILKS

Associated Press Sports Writer

The Los Angeles Dodgers have scrapped back to within one game of Cincinnati's stumbling Reds in the National League pennant race.

After blowing a 3-0 lead against San Francisco Wednesday night the Dodgers went to work, coming from behind with a five-run eighth for a 9-5 victory.

Cincinnati lost to St. Louis 11-5. While the Dodgers swept their four-game series with San Francisco, still hopeful Milwaukee beat Philadelphia 1-0 as Warren Spahn nailed his 306th career victory, most ever in one league by a left-handed pitcher. The Chicago Cubs defeated Pittsburgh 6-2.

CRAIG IS WINNER

The Dodgers got started on these big eighth when Frank Howard, who had singled home two runs in the first, rifled a single that almost knocked down losing reliever Stu Miller (10-4) of the Giants. Willie Davis went in as a pinch runner, stole second and scooted on to third on catcher Ed Bailey's wild pop. Pinch hitter Norm Larker brought him in with a single, tying it 5-5, and John Roseboro followed with a pinch double that gave Los Angeles the lead. An error, a walk, Wally Moon's two-run single and a force out by Snider brought in the other three. Snider also hit a solo home run in the fifth.

Roger Craig (5-6), fourth of six Dodger pitchers, was the winner. He faced just one man after Larry Sherry had to leave in the eighth because of arm trouble. The Giants wiped out the Dodgers' 3-0 lead with home runs by Jim Davenport, Felipe Alou and Orlando Cepeda off starter Sandy Koufax.

St. Louis twice came from behind against the Reds after knocking out their ace right-hander, 19-game winner Joey Jay, with two runs in the first inning. A two-run sixth on two of the Reds' four errors, Stan Musial's sacrifice fly and Ken Boyer's single, put it away and beat reliever Jim Maloney (6-6).

BEAT PLANK'S MARK Right-hander Larry Jackson (12-9), a winner in nine of his last 10 decisions, settled down after walking three men on 12 consecutive pitches in a three-run third and held the Reds to one run, a homer by Jerry Lynch, over the last six innings.

Spahn (18-12), closing in on his 12th season of 20 or more victories, beat Eddie Plank's record of 305 victories, all in the AL, by blanking the Phils on three singles. It was Spahn's 54th career shutout.

The Braves, now six games in back of Cincinnati, had five hits, scoring in their first inning off John Buzhardt (5-16) on a walk. Ed Mathews' single and Hank Aaron's sacrifice fly.

Belgrade Conferees Ask United States, Russians To Stop War Preparations

By EUGENE LEVIN
BELGRADE (AP)—The conference of 25 nonaligned nations ended Wednesday with an appeal to the United States and the Soviet Union to halt "war preparations" and start negotiations at once to head off nuclear destruction.

A communique summing up the five-day parley was unanimously approved at a windup meeting that ran until 1 a.m. Besides calling for peace, it dealt chiefly with colonialism and—

1. Declared the U.S. naval base at Guantanamo Bay "affects the sovereignty and integrity of Cuba."

BACK ALGERIAN REBELS

2. Called Algerian rebel claims to French-held Sahara Desert territory "just and necessary" and offered to aid the Algerians in their struggle with France.

3. Demanded immediate evacuation of French armed forces from Tunisian soil.

4. Demanded immediate freedom for Portugal's strife-torn African colony of Angola.

Nothing was said about Soviet domination of Eastern Europe, Chinese Communist occupation of Tibet or India's refusal to permit a plebiscite in Moslem Kashmir.

Indian Prime Minister Nehru left for Moscow Wednesday on a visit he had scheduled before the Belgrade conference, but Indian diplomats said their leader would carry to Soviet Premier Khrushchev the conference's appeal that he meet urgently with President Kennedy.

Conference sources said earlier that Nehru would also urge Khrushchev to agree to a moratorium on nuclear weapon tests in the atmosphere.

Indonesian President Sukarno and President Modibo Keita of Mali were delegated to deliver the appeal to President Kennedy in Washington Sept. 12.

Never before, said the conference appeal, has the world been threatened with so "ominous a

prospect" of conflict, a war that would "inevitably lead to devastation on a scale hitherto unknown, if not to world annihilation."

It called on the United States and the Soviet Union to "resume negotiations for a peaceful settlement of any outstanding differences between them, with due regard for the principle of the United Nations charter, and continue negotiating until both they and the rest of the world achieve total disarmament and enduring peace."

LACK QUORUM FOR MINE VOTE

WASHINGTON (AP)—The lack of a quorum of the House Interior Committee has apparently spelled the doom of a measure which would authorize previously appropriated funds to seal and fill abandoned hard coal mines in Pennsylvania.

Tuesday's session, when a quorum was not present, was the last scheduled meeting of the committee this term of Congress. A subcommittee had earlier approved the measure.

The proposal was an amendment to a 1955 bill which provided funds for devastating mines. Some \$9 million of the amount, from state and federal sources, still remains.

However a ruling by the Pennsylvania attorney general limits the money to use in active mines. As a result, Rep. Daniel Flood, D-Pa., introduced the amendment which would authorize use of the remaining funds for sealing and flushing abandoned mines.

Flood's amendment would allot \$2 million of the \$9 million for continued control and drainage of water.

Flood expressed a regret that the committee was unable to get a quorum.

At the hearing, some legislators favored the measure saying the situation was peculiar to Pennsylvania. Others, however, took the view that approval would set a precedent and would lead to costly programs in other states.

Seek Aid To Keep Freight Service

POTTSVILLE, Pa. (AP)—Gov. David L. Lawrence and Pennsylvania's two senators, Joseph S. Clark, D, and Hugh Scott, R, will be asked to intervene in Pennsylvania Railroad plans to halt freight service from north of Hamburg to Pottsville. The Pottsville city council voted unanimously Tuesday night to appeal to the governor and the senators. Council action followed a suggestion by Andrew Kaelin, vice president of the Transport Workers Union, who attended the council meeting.

represents the West Pennsylvania Conference ULCW.

Harvest Home service will be held Sunday at Zwingli United Church of Christ at the 10:30 o'clock morning worship service. The donations will be given a church home. The Consistory will meet Monday at the church. The Adult Study Group began fall sessions Wednesday at 7:30 o'clock. New members are welcomed into the group. Confirmation instruction will begin Saturday, September 23; new members will meet at 9:30 o'clock and second year members at 10:30 o'clock in the morning. On September 16 and 17 the Rev. William H. Anderman and members of the charge will travel to Woodmont, Conn., and be guests of the parish while the Rev. Mr. Anderman fills the Woodmont pulpit for the Sunday morning service.

Mrs. Elmer Mummert, W. King St., entertained members of her family Monday as a farewell party for her sister, Mrs. Margaret Reis, who leaves this week to return to her Peoria, Ill., home. Those attending were: Mr. and Mrs. Robert Eisenhart and Mrs. Merle Eisenhart and sons, Aspers; Mr. and Mrs. William Altland and family, Newport; Aaron Jacobs, York; Mr. and Mrs. Ray Miller and son, York Springs; Mr. and Mrs. Maxton Willet and daughter, Mr. and Mrs. William Emig and son, Mr. and Mrs. C. MAYOR WAGNER GETS BIG TEST IN N. Y. TODAY

By PIERCE LEHMBECK

NEW YORK (AP)—Mayor Robert F. Wagner faces his biggest political test today in a primary fight with the Democratic organization that elected him twice.

Wagner's fight against the city's regular Democratic leaders and their mayoral candidate—State Comptroller Arthur Levitt—has dwarfed all other races in the statewide primary balloting. The campaign has been one of the most vicious in the city's history, with Wagner accusing the party organization of "bossism"

and saying that his re-election would forever free the city of control by Tammany Hall.

ACCUSED OF DICTATING

Although Levitt is his opponent, Wagner has aimed most of his criticism at Carmine G. DeSapio, leader of Tammany, the Manhattan Democratic organization and New York's Democratic national committeeman.

At one point, Wagner accused DeSapio of having tried to dictate to him. More recently, he accused DeSapio of planning a campaign against him that would pit racial group against racial group.

That accusation followed charges by Levitt that some of Wagner's campaign workers had spread scurrilous campaign literature designed to fan racial prejudices.

Levitt, saying he did not believe Wagner was responsible for the literature, nevertheless sub-

mitted exhibits of it to State Atty. Gen. Louis J. Lefkowitz, who appointed an assistant to conduct an investigation.

Levitt and Lefkowitz, the Republican candidate for mayor, are Jewish. Wagner is a Roman Catholic.

Wagner, 51, son of the late U.S. Sen. Robert F. Wagner, sponsor of the Wagner Labor Relations Act and other major New Deal legislation, was elected with organization backing in 1953 and 1957.

He is supported this year by a group of insurgent Democrats headed by former Sen. Herbert H. Lehman and Mrs. Franklin D. Roosevelt.

Should Wagner lose in the primary voting, he still will appear on the ballot in the November general election. He has the endorsement of the Liberal party, which exists only in New York state, and several lesser groups.

FIRE CARNIVAL
PROFITS TOP
\$4,000 MARK

A detailed financial and statistical report on the annual firemen's carnival was presented at the September meeting of the Alpha Fire Company No. 1 Tuesday evening in the fire engine house by the treasurer, Paul E. Altoff. Gross receipts were \$10,415.44; total expenses were \$6,385.48 and of this amount \$648 for parade prizes; \$837.89 for book awards and the remainder for supplies, advertising and miscellaneous expenses, leaving a total net carnival profit of \$4,029.96.

The new amount from the house to house solicitation was \$3,114.40 and the total profit from the 76th anniversary fund was \$1,678.50, giving a total profit of \$8,822.86 on all projects. In the solicitation, \$902 was received from the business places, \$851.70 from the house-to-house canvass in the borough and \$1,360.70 in the rural area.

There was a report on the list of supplies for the carnival. A total of 9,818 rolls were used, 7,418 round and 2,400 long; 39 loaves bread; 20 dozen eggs; 15 boxes ice cream waffles; 170 watermelons; 602 lbs. hamburger; 360 lbs. wieners; 75 lbs. crabmeat; 48 lbs. ham; 545 gals. Pepsi-Cola; 2,284 half pints orange; 120 gals. chocolate milk, or 1,920 half pints; 76 gals. ice cream; 10,775 lbs. ice, or approximately 5 1/2 tons; 13,500 beverage cups; 5,500 straws; a case of coffee; almost four cases catsup; three cases chili sauce; more than three gallons of mustard; three cases sauerkraut; 185 lbs. onions. There was a total of 16,611 rides during carnival week with 3,813 of these being at the Saturday afternoon matinee.

BOYS WRITE THANKS

A letter of thanks was received from the boys of Zion Cottage at the Hoffman Home expressing thanks to the fire company and to Russell Boyer of Russ Amusements for treating them to rides and refreshments during the carnival matinee.

The meeting on Tuesday was in charge of President Dennis Wallick, and opened with "America," and group prayer and was followed by the report of the secretary, Harry W. Badders. Clyde Harner, of the general carnival committee, extended thanks to all those members who lent their assistance during carnival week and the treasurer then presented his report.

OPPOSE COUNTY PLAN

President Wallick reported for the committee which met with the borough council to make a survey of the emergency telephone answering system and the radio set-up in the community, etc. The company went on record as opposing the county-wide quick-call system, and voted to retain the present community system, at least until the county system is more nearly perfected.

Henry E. Waltman reviewed the additional insurance and benefits which have been secured under a group policy selected by the

relief fund trustees with company authorization. The present policy provides for a \$10,000 payment in case a volunteer fireman should lose his life while performing duties as a fireman where previously the amount was \$3,000. The new policy also provides indemnity in case of injury at \$50 per week, not to exceed \$3,000 and for 26 weeks of hospitalization in addition to other minor benefits.

Assistant Fire Chief James P. Hahn resented the chief's report, noting that there had been three calls with less than 900 total damages. Truck Foreman Kenneth Olinger reported some mechanical trouble with the Mack truck which is being repaired and that all other apparatus is in first class condition.

ADD FIVE MEMBERS

Five new members, Raymond C. Masenheimer, Michael E. Cookson, L. Robert Spangler, Jack Staub and Terry Lightner, were accepted and Harry E. Feiser was nominated for membership with Clyde Harner, Henry E. Waltman and David Little comprising the investigating committee.

Leslie Shinham, Robert C. Koontz and Howard O. Myers were appointed as the nominating committee to select a slate of officers for presentation at the October 3 meeting. Nominations will remain open during the November meeting and the election will take place in December and installation in January. A new social committee to serve for the next quarter was also appointed by President Wallick to include Norman Sentz, Raymond Bream and Wayne Reinaman.

LISTS RECEIPTS

Bills were ordered paid amounting to \$1,112.27. Receipts for the evening were \$334.24 including a donation for services rendered from John C. Forry, a contribution of \$150 from the Cambridge Rubber Company Foundation and a bequest of \$100 from the Effie Steick Ingman estate.

It was announced that the next quarterly meeting of the Adams County Volunteer Firemen's Association will be held on Monday, October 2, at 8 p.m. at Hampton. The January meeting is listed for Irishtown; April at Kingsdale and July, 1962, in Littlestown.

At the conclusion of business, refreshments were served to the 43 members in attendance by

TOWN SPENT
\$23,064 IN
LAST MONTH

Gettysburg spent \$23,064.15 during August bringing to \$118,887.84 the amount expended in borough government so far this year.

The report prepared for borough council at its meeting Tuesday night at the engine house showed the town still has \$56,111.20 of the amount it budgeted last January to spend during the next four months.

If the town continues to spend at the \$23,000 rate per month for the next four months it will exceed its budgeted goal for the year.

However the town will end the year with a balance. The cash balance as of September 5 was \$39,231.84. In addition, the town owns a \$25,000 U. S. Treasury bond. The borough always seeks to end the year with sufficient money in the bank to carry it through the early months of the next year until taxes begin to roll in.

GAIN INTEREST MONEY

The report showed the town made \$154.53 during the month by cashing a 90-day treasury note. Immediately it invested \$24,845.47 in another 90-day note which will provide it with \$25,000 in 90 days, or another profit of \$154.53. The same \$24,845.47 has been reinvested time after time in 90-day securities for more than a year.

Expenditures during the month included \$3,419.08 for general government; \$10,768.15 for protection to persons and property; \$4,782.40 for highways, \$1,081.21 for electricity and \$3,013.31 for the recreation program.

Expenditures so far this year include \$14,773.46 for general government; \$47,768.48 for protection to persons and property; \$34,178.57 for highways, \$6,135.27 miscellaneous, \$8,004.71 for electricity and \$8,027.35 for recreation.

CHIEF REPORTS

Income last month included \$4,611.85 from the parking meters, \$1,714.86 from Tax Collector J. Herbert Weikert, \$825 collected by Mayor Wilbur Plank, \$200 from the Commonwealth of Pennsylvania, \$1,421.67 from the amusement tax, \$22 from trailer licenses, and \$55 from justice of the peace fines.

Chief of Police Jack Bartlett presented the following report to council of activities in the police department during the last month: Criminal arrests, 15; traffic arrests, 17; accidents, 14; complaints investigated, 313; escorts provided, 19; assists to other departments, 69; bicycles reported stolen, two; found none; wallets lost, 4; found 4; cars stolen, none; found, one; missing persons, two; located, two.

Mayor Plank's report showed this income received through his office: Rental of parking meters, \$40; parking fines, \$423; 13 building permits, \$60.60; four digging permits, \$166.50; amusement licenses, \$15; taxi rental space, \$100; miscellaneous, \$11.50.

Bobby Nester, John Krichen and Clarence Rebert. The firemen will meet again on Tuesday, October 3.

Mr. and Mrs. John F. Rider, R. 3, celebrated their golden wedding anniversary today. They were married in York September 7, 1911, at 7 p.m. They have three children: Mrs. Frances Tressler, Emmitsburg R. 1; Glenn M. Rider, Biglerville R. 1; and Dale D. Rider, Gettysburg R. 3; seven grandchildren and one great-granddaughter. There will be no special observance as Mrs. Rider is convalescing at the home of her daughter. She fell and broke her hip last June. In the photograph above the children are, from left to right, Glenn, Frances and Dale.

To Speak Here

Arthur Kiesz, president of the East Pennsylvania Conference of Seventh Day Adventists with offices in Reading, will be the guest speaker at the local Adventist Church, Hanover and Fifth Sts., on Saturday. The pastor, Merton Henry, said Saturday services are scheduled following the regular program of Sabbath School at 9:45 and the worship hour at 11:15. Everyone is invited to these services.

BUS SURVIVORS
RECEIVE REBATE

WASHINGTON (AP) — Three Norristown, Pa., residents will get back \$10 fees they were charged for duplicate passports after they survived the recent plunge by a tourist bus into Lake Lucerne, Switzerland.

Rep. Richard S. Schweiker, R-Pa., reported Wednesday that the State Department is returning the fees. He said he was advised of the action in response to a protest he had lodged against the collection from the tourists who lost their passports and funds in the lake.

Schweiker quoted Frances G. Knight, director of the Passport Office, as saying that a new procedure would be established for issuing replacement passports without charge in future cases involving disasters abroad.

The three Norristown survivors are Mrs. Charles Egleson and Mrs. Harmana Hunsberger and her daughter, Nancy.

At present 11 such patients are regularly seen by the therapist in her county visits. One is being treated at facilities at Camp Hill, Mrs. Schwenk said.

During the last year the United Cerebral Palsy occupational therapist, Mrs. Beatrice Crowder, made 38 home visits to 11 patients. Transportation was provided in conjunction with the Red Cross for a child to the development class twice weekly at Camp Hill.

Mrs. Schwenk said the cerebral palsy organization provides the mileage costs for the transportation of the child while the Red Cross provides the car and driver, usually Mrs. Louise Hoffman.

The CP organization also provides professional education to county nurses by workshops on "trends in management of cerebral palsy" and provides adapted toys and special equipment, such as properly designed feeding trays, spoons, etc., to the children visited at the homes, she said.

TRIO ASSAULTS
AND ROBS MAN

A bowling alley attendant was knocked unconscious Wednesday and robbed of \$300 by three youths who took his car keys and destroyed two telephone booths before escaping, police reported.

Robert Bollinger, 31, of Mt. Holly Springs, was admitted to Carlisle Hospital with a possible fractured skull, cuts and bruises. The hospital reported his condition as "serious."

Police said the youths, aged 18 to 20, howled 11 games late Tuesday night at Midway Bowling Center along the Mt. Holly Springs Pike. When they finished their games about 4 a.m., they approached Bollinger under the pretext of paying for the games.

One of the three pointed a revolver at Bollinger and ordered him to hand over the contents of the cash register and a safe, police said. He then was ordered to lie face down on the floor, where he was struck on the head several times with a blunt object.

Bollinger was found about 4:30 a.m. by Lowell Starnes, of Gardner's R. D., reporting for duty as a relief attendant.

Carlisle State Police, who are investigating, said Bollinger could not furnish a complete description of the robbers because of his condition. However, they planned to talk to him later.

EXTRA FOOD PROGRAMS ARE WORKING WELL

By THE ASSOCIATED PRESS

A steady increase in persons signing up for federal surplus food was reported in Luzerne and Lackawanna Counties Tuesday.

But Fayette County, operating under a pilot food stamp plan rather than direct distribution used in the two eastern counties, reported fewer persons are getting stamps than received surplus food previously when Fayette used direct distribution.

In the western Pennsylvania county, the only one in the state chosen for the pilot food stamp plan, approximately 9,000 families or some 35,000 persons are registered. Under the old direct distribution plan some 12,766 families received surplus food.

Run smoothly

All three counties, however, reported that their programs, designed for needy families in depressed areas, were running smoothly and improving right along.

Joseph J. Shultz, surplus food administrator for the Luzerne County institution district, said that as of the end of last month 44,930 persons were signed for surplus food but only 33,710 actually collected it. Last December Luzerne county had 12,000 persons on the rolls, said Shultz.

Shultz was unable to give a breakdown of families but he said that by using the average of four in a family it would figure out to about 11,200.

EXPLAINS INCREASE

Shultz attributed the increase in those signing up to the fact that President Kennedy last winter increased the type and quality of foodstuffs which could be obtained.

Andrew J. Best, surplus food administrator for Lackawanna County, said there are 17,359 persons or 5,387 families on the eligible list for this month compared with 5,392 persons early this year when the expanded program began.

Officials in Harrisburg and Fayette County lean toward the food stamp plan. They offer several arguments in its favor.

FAVOR STAMP PLAN

As an example, Mrs. Ruth Grigg Horting, state secretary of public welfare, says "the advantages of the food stamp (plan) over free distribution of surplus food include a much wider selection of nutritious items because the holder of stamps may buy what he wants, except imports."

Further, adds Mrs. Horting, the food stamp plan upholds the human dignity concept of aid to low income families because except in isolated cases of no income the family shares financially in the purchases of stamps.

Despite handling the direct distribution system, Shultz agrees with Mrs. Horting but he doesn't have much of a choice of changing plans right now. The food stamp plan may be more widely adopted if it proves highly successful.

SITE IS READY FOR BOMB TEST

NEVADA TEST SITE, (AP)—An underground nuclear test blast probably could be set off here within a month.

That is the estimate of observers close to test site headquarters. Atomic Energy Commission spokesmen are more than ordinarily close-mouthed, but bustling activity belies their silence.

BAN BOOST IN HOUSE SEATS

WASHINGTON (AP)—The House Judiciary Committee Wednesday killed all bills aimed at increasing the size of the House to benefit states that are losing congressional seats because of population losses.

Chairman Emanuel Celler, D-N.Y., said "I am personally pleased" at the committee action. He declined to disclose the vote by which the committee disapproved the various bills.

Any increase bill that reached the House floor, Celler said, "would open a Pandora's box" of amendments to add enough new members to help all or most of the 16 states which are losing seats because of the 1960 census.

The House membership now is temporarily at 437, including members from the new states of Alaska and Hawaii. It will revert to 435 at the end of 1962, the membership the House has had since 1911.

IDLERS OPPOSE PHILOSOPHY OF HUSTLE BUSTLE

By HAL BOYLE

NEW YORK (AP)—One of the things wrong with this world is that there are too many signs saying "Do it now!"

Do what now?

There are some of us who would like to change the signs to read "Why do it?"

The difference between those two signs spells the difference between two great classes of mankind—the hustlers and the procrastinators.

Which are you?

BY DEFINITION

The hustlers, by and large, tend to be self-important people who pride themselves on their ability to save time and get a lot of things done. They regard themselves as practical, orderly, efficient and very, very businesslike. Hustlers keep neat clean desks and are always hurrying from chore to chore and perpetually glancing at their watches to be sure they aren't late to the next appointment.

Bustlers don't like procrastinators. Bustlers complain procrastinators are dreamy idlers who never get anything done. Bustlers say they'd get a lot more things done themselves if it weren't for being impeded by shiftless procrastinators.

LOOK AT BUSTLERS

Fellow procrastinators, why do we take all this guff? Why do we let it give us a guilty feeling?

Let us put the bustler under a microscope for a change. What do we see?

The bustler makes up about one-tenth of the population and causes up to nine-tenths of its troubles.

The bustler often is a man who finds action so necessary he hops on a horse and rides off in all directions at once. As the dictionary

it is evident to those who know the area that this activity has been stepped up materially since the resumption of Soviet nuclear tests and President Kennedy's authorization of renewed testing in laboratories and underground in the United States.

It has also been known for some time that the AEC was preparing to resume, upon short notice, its experimental program at this 48 by 28-mile site 65 miles north of Las Vegas, Nev.

Official comment was confined to an AEC statement from Albuquerque, N.M., that it is "doing those things necessary to implement the President's announcement."

ary says, he moves "with fussy or noisy activity, usually with more haste than purpose."

The bustler writes the billions of letters each year that don't need to be written. He makes the quick on-the-spot decisions that really

put his firm or country on the spot.

What does the bustler do with all the time he saves by all that rush and roar? Why, he spends it rushing and roaring around trying to correct the errors he made by

not taking enough time to do things right in the first place—that is if they really needed to be done at all.

PUT THINGS OFF

It is we procrastinators who save the bustlers from destroying

the earth.

It is the procrastinators, sometimes found feet on desk and sailing paper airplanes out the window, who are really practical, efficient and businesslike in their slow disorderly way.

They may put off doing a lot of things, but usually they are things that ought to be put off—sometimes forever. Isn't it better to do a right thing a day late than a wrong thing a week soon?

The motto of the bustler is, "Don't just stand there. Do something—and do it now."

The motto of the procrastinator is, "Don't just stand there. Sit down and be comfortable. Then do the unavoidable after you have avoided doing the unnecessary."

18 NEGRO FIRST GRADERS ENTER TEXAS SCHOOL

DALLAS, Tex. (AP)—Eighteen Negro first graders walked into classes in eight previously all-white schools Wednesday without incident as the nation's largest segregated school system began integration.

Police, with 750 men prepared to handle any possible demonstrations for today's integration, occupied themselves with directing traffic. School Supt. W. T. White announced at 9:45 a.m. (EST), 15 minutes after classes opened, that all 18 Negroes assigned to previously white schools were inside the schools.

White said no incidents occurred. The assignments of Negro first graders were to schools widely scattered over the city.

FOUR ARE REJECTED

White said four applications of Negroes to enter white classrooms were turned down.

The rejections, said White, were because one child did not submit a birth certificate, another failed to qualify because the child had brothers and sisters in a Negro school, and two are rejected because there was no reason for them to transfer from their school area.

The board will not permit children with brothers and sisters in one school to transfer to another school.

Eight of the assigned Negroes are boys and 10 are girls. Negro parents were told by school officials to bring their children in the front door "just like any other student."

MEMPHIS IS LARGEST

The integrated schools are Amelia Earhart, Ben Milam, City Park, Longfellow, Roger Q. Mills, Stephen F. Austin, Thomas A. Edison and William E. Travis.

Dallas was the largest U.S. city maintaining segregated schools until today. Largest now is Memphis, Tenn. Dallas was the 14th largest city in the 1960 census and Memphis was 22nd.

The city operates 126 elementary schools with 62,500 pupils, of whom 17,000 are Negro.

Federal court orders to Dallas to integrate call for a grade-a-year plan beginning with the first grade. There are an estimated 3,100 Negro first graders this year out of 14,000.

Galveston, another major Texas city 295 miles south of Dallas, also scheduled its first public school integration Wednesday. The Galveston school board assigned 36 Negroes to previously all-white first grade and kindergarten classes. A Galveston Roman Catholic parochial school integrated with eight Negro students Tuesday without incident.

HOUSE URGES SPEED-UP IN NUCLEAR TEST

WASHINGTON (AP)—A speed-up in nuclear weapons tests was urged by the House Appropriations Committee Wednesday as it approved \$2,352,601,000 for the Atomic Energy Commission.

President Kennedy announced Tuesday the United States will resume underground and laboratory atomic tests. The committee earmarked \$30 million of the AEC's new money for the weapons testing programs.

The funds, for use during the fiscal year that started July 1, include \$591.2 million for weapons development and \$557,493,000 for special nuclear materials. The total is only \$6,799,000 less than Kennedy requested and \$98,609,000 below last year's appropriations.

28th Division Ordered To Expand Its Training In Event Of "Call Up"

HARRISBURG (AP)—All units of Pennsylvania's famed 28th Infantry Division are being ordered to step up training drills immediately in compliance with orders from the Defense Department.

That was the word Wednesday night from division commander, Maj. Gen. Henry K. Fluck, after the 28th was tabbed by the Army as one of four National Guard divisions that could be called up for active duty in face of the Berlin crisis.

Fluck said all units will step up their drills from four to six a month, with four of the drills being conducted on weekends to allow for additional outdoor maneuvers.

"Otherwise, the 28th Division is in the best shape, ever since I became commander eight years ago," he stated.

STRENUOUS TRAINING

"Our summer training activities at Camp A. P. Hill and Camp Pickett in Virginia were really strenuous and brought the men to an excellent state of readiness."

Fluck's division is the largest military body in Pennsylvania to be affected by the latest orders from the Pentagon.

Believed to be the latest infantry unit in the United States, the 28th is now close to its authorized strength of 15,000 men.

A call to active military duty would be the fourth in the 28th's long history.

Its battle flags carry scores of streamers representing combat in the nation's wars beginning with the American Revolution in 1776.

It was dubbed by friend and foe alike "The Iron Division" during World War I. The division also fought in France and Germany during World War II. That time its German opponents called it the "Bucket of Blood Division"—mistaking the red keystone on its banner as a pail of gore.

FOUGHT IN ARDENNES
The 28th bore the brunt of the German's Ardennes offensive in the opening phase of the Battle of the Bulge in 1944.

Again in 1950, the division was called to national service, but this time was spared combat. Instead, it kept a wary eye in Germany on possible aggression while other units were fighting in Korea. Ironically, the 28th even suffered losses during its Korean War service.

On Sept. 11, 1950, while the troops were enroute to their training base at Camp Atterbury, Ind., 32 soldiers were killed and scores of others injured in a tragic train wreck at Coshocton, Ohio.

Though its basic function is that of the infantryman, the division is fully mechanized. Its riflemen are backed by tanks and rocket-equipped artillery.

Just last week, the state legislature approved a bill authorizing the governor to extend National Guard enlistments a year in the event of an emergency.

SAY U. S. MAY SET OFF BOMBS IN ATMOSPHERE

By JACK BELL

WASHINGTON (AP)—The possibility that the United States will have to resume atmospheric nuclear tests if the Soviets continue such shots was voiced Wednesday by influential members of Congress.

Senate Republican Leader Everett M. Dirksen of Illinois said President Kennedy's order Tuesday for resumption of underground explosions "doesn't mean that we won't have to test in the air later."

Dirksen was one of the congressional leaders of both parties. Kennedy informed of his decision before the White House announced it.

DETONATE IN AIR
The Illinois senator said it was his understanding that while underground experiments might provide valuable scientific information it may be necessary to detonate warheads in the air in the final series of tests.

This would involve fallout. Much of the world has condemned

MRS. CRAVER WSCS SPEAKER AT CENTENARY

Mrs. Forrest Craver, Gettysburg, was the guest speaker at the monthly meeting of the Woman's Society of Christian Service of Centenary Methodist Church on Tuesday evening at the church. Mrs. Craver used as the theme of her message "Our Missions Today" and she invited the WSCS to attend a seminar in Gettysburg in the near future. The guest speaker was introduced by Mrs. Kent E. Daum, president, who presided.

The spiritual leader of the evening was Mrs. William R. Jones, assisted by Mrs. Bertha Shull. Mrs. Estella Furlow was piano accompanist for the evening. One new member, Mrs. Stanley Frock, was welcomed and she won the September guess package. The birthdays of Mrs. Lottie Mellott, Mrs. Mary Byers and Mrs. Daum were noted. Mrs. Mary Fuss, Mrs. Jones and Mrs. Daum were appointed to be hostesses for the next meeting on Tuesday, October 10 at the church. During the social hour, refreshments were served by Mrs. Mellott, Mrs. Mary Miller and Mrs. Ruth Witherow.

Miss Jane Wantz, daughter of

the Soviet Union for losing such nuclear debris in the atmosphere over central Asia in its new tests. Sen. Albert Gore, D-Tenn., a member of the Senate-House Atomic Energy Committee, said that if the Soviets persist in tests "in the atmosphere reaching into the megaton range, we will be required to resume atmospheric tests, too, as deplorable and regrettable as we may find it."

Gore said there is "one overriding theoretical possibility: the development of a defensive mechanism that would neutralize nuclear warheads on incoming ballistic missiles."

OTHER COMMENT
Rep. Chet Holifield, D-Calif., chairman of the Senate-House Atomic Energy Committee, told the House that the resumption of testing could provide information on lighter-weight warheads, development of small-yield weapons, and the production of an antimissile missile.

Sen. Henry M. Jackson, D-Wash., another committee member, said he is more than ever convinced that the Soviets have been conducting underground tests during the moratorium that has been in effect since November 1958.

"I think they came to the point where they felt they had to have atmospheric tests to prove out what they were doing," he said. "The rapidity of these tests shows that they are a well-organized series which must have taken months to plan."

Mr. and Mrs. Rath Wantz, W. King St. Ext., and Miss Kay Little, daughter of Mr. and Mrs. David S. Little, E. King St., left on Monday to begin their studies at the Hagerstown Medical Secretary School. Both students are 1961 graduates of Littlestown High School.

The Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226 will sponsor a public party on Friday starting at 8 p.m. in the social room of the F.O.E. Home, W. King St.

Miss Susan Todd, who was graduated from the local high school in June, left on Tuesday to begin her Freshman year as a music major at West Chester State College. She is the daughter of Mr. and Mrs. John Todd, Littlestown R. 2.

Miss Susan Strevig, daughter of Mr. and Mrs. Noah M. Strevig, W. King St. Ext., and Miss Carole Baumgardner, daughter of Mr. and Mrs. Carl Baumgardner, S. Queen St., are beginning their studies as upperclassmen at West Chester State College.

GRIDIRON PROGRAM

High School sports was the theme of the program at the weekly dinner meeting of the Littlestown Rotary Club on Tuesday evening at Schottie's Hotel. Ronald M. Lawhead, head football coach at the local high school, and his assistants, Jack Bream, Donald B. Kump and Richard D. Thomas, were guests and were presented to the club. Coach Lawhead spoke on the prospects of this season's gridiron team and answered questions. He also narrated plays from the film of the 1960 game between the Thunderbolts and the South Western. High team. The program was in charge of the community service chairman, Luther D. Snyder, chairman, Visiting Rotarians introduced were Kenneth Bohn, Ray Robertson, Ober Herr and Grandville Bixler, all of Westminster.

The club will meet next Tuesday at 6:15 p.m. at Schottie's. The music committee, Charles E. Rabenstine, chairman, will be in charge of the program. Donald Arbogast Jr. and John Strevig, local high school Seniors, who were chosen to attend Rotary leaders camp this summer, will be guests to tell of their experiences there. Robert Haines, district camp chairman, will also be in attendance.

The Rotarians and their guests will go to a big league baseball game in Baltimore on Tuesday, September 19. The group will

CHURCH WOMEN MEET

Mrs. Preston Myers was leader at the September meeting of the Alta Hummer Organization of the United Lutheran Church Women of St. John's Lutheran Church on Tuesday evening at the church.

The topic "God's Image" was introduced by the leader and readings on the subject were given by the members. Devotions consisted of group singing, prayer by Mrs. Robert V. Weaver and Scripture reading, Mrs. James L. Rhoades. Mrs. Lloyd L. Staveland, secretary, gave her report. Mrs. Weaver, president, who presided, announced that the fall conference of the ULCW will be held October 26 in Greencastle. Preliminary plans were discussed for the annual thank offering service on Sunday, October 22, at 10:15 a.m., with guest speaker. The society

Ask Underground Interstate Roads

WASHINGTON (AP)—A Pennsylvania congressman has suggested building part of the Interstate Highway System underground so that it could double as a public bomb shelter in case of attack.

Rep. Carroll D. Kearns, D-Pa., who made the suggestion Tuesday, compared his proposed shelters to the London subways. He said England would not have survived German air attacks during World War II if it were not for London's extensive subway system.

To give plain cooked spinach savory flavor, add a little minced onion and some lemon juice along with a dollop of butter.

will have a fellowship dinner for all ladies of the church, in connection with the next meeting on Tuesday, October 3, in the church social hall. At the conclusion of the business, refreshments were served by Mrs. Rhoades and Mrs. Albert Starnes.

AMERICAN TO LEAVE STATES FOR AUSTRALIA

OIL CITY, Pa. (AP)—A 40-year-old chemical engineer fed up with the American way of life said today he is taking his wife and five children and moving to Melbourne, Australia.

William McKinney of R. 1, Franklin, Pa., said he is leaving the United States in order to escape socialism and inflation.

"There's a natural New Frontier in Australia—not an artificial one," McKinney said. "Our freedoms are being eroded and we are gradually becoming a socialistic state. It scares me to think of living here where there is a potential threat of severe inflation. This country has inflation now, but not near as bad as it can be."

McKinney will leave Oil City Sept. 17 and will depart for Australia from Vancouver, British Columbia, Nov. 2.

"GREATER OPPORTUNITIES"

McKinney, who was born and raised in this Northwestern Pennsylvania area, claims the opportunities are greater in Australia.

"They have many underdeveloped natural resources and are in a hurry to develop them," he said. "They have a more stable economy and a lower wage rate. The physical comforts may be greater here—like wash machines and other electrical appliances—but I don't feel that will last much longer."

McKinney, who has been the chief chemist at the Koppers Co. plant in Oil City for the last eight years, doesn't even have a job awaiting him down under.

"Australian companies are re-

luctant to hire anyone without seeing them," McKinney said. "But the contacts I have made with several companies and the Australian embassy indicate that I should have no problem finding a position."

McKinney has never been to Australia. He said he became interested in migrating in 1953 but didn't think of it seriously until April and May of this year. Then, he contacted the Australian embassy in Washington who arranged passport and visa.

McKinney said his wife, Helen, 36, is enthused about the move but he's not so sure about his five children, ages 7 to 13.

"They don't particularly like the idea of leaving their schoolmates," he said.

McKinney has not made any decision on denouncing his U. S. citizenship. However, he will become eligible for Australian citizenship after five years in the country.

A Lovelier You

By MARY SUE MILLER

BATHE AWAY DRY SKIN. Here are six ways to recondition the all-over complexion—a skin dry, scuffed from sun and neglect:

1. Weekly, take an oil soak. Simply coat the body with a rich facial oil and allow it to remain on while you relax on a towel for 15 minutes. Then towel off the excess and shower.

2. Add a lipodermic bath oil or "treatment" bubbles to your daily bath. And loll long in the tub before sudsing.

3. At bedtime, smooth especially rough spots with a pumice or loofah sponge. But first generously lather the skin.

4. To bleach discolored areas, rub them with lemon juice. Leave the juice on for a few minutes and then rinse with clear water. Repeat daily for as long a period as necessary. The bleaching process, of course, can be dovetailed with a bath or shower.

5. Dry after bathing with a friction towel. It is accomplished by stretching the towel across the back of the shoulders and briskly tugging it from side to side. Then, using the same motions, you work down the back and up the front of the body. Until the skin is rosy!

6. At least once daily, massage with hand or body lotion. Be thorough—continue massaging until the lotion is completely absorbed.

Even the most abused skin becomes petal-smooth after a few weeks of this treatment. If you make a habit of it, your skin will stay petal-like.

GOVERNOR TO GET FALLOUT SHELTER SOON

HARRISBURG (AP)—Preparations are being made to construct a fallout shelter for the governor and his family at the Indian town Gap military reservation.

This information came today from Dr. Richard Gerstell, state Civil Defense director.

Gov. Lawrence and his family have resided in the executive mansion at the Gap since the old mansion in downtown Harrisburg was sold by the Commonwealth and torn down.

Plans to build the Gap shelter developed during the past two weeks, Gerstell said.

TO SEEK CONTRACTS

He said Andrew M. Bradley, secretary of property and supplies has been directed to go ahead and seek contracts for the mansion shelter.

No target date for start of construction has been set pending completion of these plans by Bradley's department, the administration said.

The state already made plans some time ago for the governor and his aides to move to an underground area in the main Capitol Building here should a surprise enemy attack develop at any time.

SELINGROVE 2ND CAPITAL

Under the same plan, Selingsgrove would become the temporary state capital in the event Harrisburg is attacked or put under a prolonged emergency.

Gerstell said he had made plans to build a new shelter to replace an old one in his Lancaster home.

He also reported that a number of his staff members are building shelters in their homes.

Civil Defense headquarters has been bombarded with requests for fallout shelter information since the heightening of world tensions sparked by the Berlin crisis and resumption of nuclear tests.

SELB, Germany (AP) —

Angelika Netou, 20, got jealous because Spiridon Sakas, 24, and also Greek, stole a few glances at other girls.

Angelika slashed Spiridon's cheeks and arms with a razor. He walked out nursing his wounds. Afraid that she had lost him, the girl jumped from her third-floor apartment window, breaking both legs. Spiridon rushed to the hospital and asked Angelika to marry him. They were wed in the hospital.

DEATHS

By THE ASSOCIATED PRESS

REDONDO BEACH, Calif. (AP) Kit Clardy, 69, Republican representative from Michigan's 6th District in 1952-54, died Tuesday. Clardy, former assistant attorney general for Michigan and one-time member of the Michigan Public Utilities Commission, came to California from Lansing, Mich., in 1956.

GREAT NECK, N.Y. (AP) — Ernesto de la Ossa, 69, who had represented Panama at the United Nations since the world organization was founded, died Tuesday. He was a former mayor of Colon and consul general for Panama in New Orleans. He also had lectured in law at Yale University and the Universities of New Mexico, California and Denver.

RYE BEACH, N.H. (AP) — Frederick Duncan Murphy, 77, of Montclair, N.J., president of the Art Gravure Corp. of New York, died Monday. Art Gravure prints Sunday supplements for several newspapers. Murphy was a pioneer in the introduction of the rotogravure printing process from Europe early in the century.

SHARON, Conn. (AP) — Van Zandt Wheeler, 75, former newspaperman, author and insurance expert, died Monday. Wheeler worked for the old New York Sunday Herald and later the New York World, wrote a number of magazine stories and also published a novel. He was born in Wichita, Kan.

WRONG MAN AT OATH TAKING

HARRISBURG (AP)—Commonwealth Secretary E. James Trimarchi glanced at the paper in his hand, then began: "John J. Connor, do you..." but that's all the further he got.

"No, wait a minute," broke in Gov. Lawrence suddenly. "You've got the wrong name."

Sure enough, the man being sworn in as a new state securities commissioner was not John J. Connor—he was James J. Connor of Glenolden, Delaware County.

Obviously the miscue on Connor's first name was made in preparing his official commission of office.

GIGGLE OUTBURST

Midst an outburst of giggles from the throng attending the ceremony Tuesday, the governor's press secretary, Richard Haratine, darted from the room.

and those who appeared to be collecting funds for the rebels would be expelled to Algeria. The clampdown was ordered following an increase in Algerian terrorist activity.

Grandma Moses Observes Her 101st Anniversary

By JOY MILLER

HOOSICK FALLS, N.Y. (AP)—America's favorite painting grandmother turned 101 today.

Anna Mary Robertson Moses decreed a quiet family affair, with a bit of cake, for her two sons, 11 grandchildren and 31 great-grandchildren.

Grandma Moses dismisses her birthdays as of no importance—"I've had 100 of them, that's enough"—but she managed to open and admire her presents well ahead of the actual day. Flowers, a diamond and ruby brooch, a transistor radio, a purple satin birthday dress, candy mints and still more flowers were among the gifts on display in her room in a nursing home here.

CAN'T WALK ALONE

She's feeling fine, she says, recovered from an illness in May and eager to get back to her paints and turpentine at home in nearby Eagle Bridge. But Dr. Clayton Shaw, whom she has known all his life, puts his foot down on her departure.

She hid the stethoscope he left behind one day, and then offered to exchange it for a discharge slip. It didn't work.

"He must be 20 years younger than me," she says with kindly condescension.

These days Grandma Moses can't walk without help. But since she is only too likely to jump up and try to fetch something for herself, she is fastened to chair and bed with a white cloth harness looped around her shoulders and waist. She tolerates what she considers the indignity with good humor, but insists it come off when her picture is taken.

CHEERFUL, WITTY

Although cheerful, witty Grandma is nurses' pet at the new one-story brick Hoosick Falls Health Center, she doesn't take to hospital life.

She feels staidly staying in bed

after 7 a.m. Afternoon naps are a waste of time and, when she does doze off, she twits nurses for letting her sleep too long.

One problem she is pondering is what to do with 21 oil paintings sent her by admirers, now in her attic in Eagle Bridge. All are portraits of Grandma, painted from photographs.

"I look everything from American Indian to Irish, but they're all nice," she said loyally.

Woman Pinned By Automobile Trim

MIAMI, Fla. (AP)—Margaret Havens, 31, ran from her house to the auto at the curb Wednesday, after its occupants sounded the horn and she recognized them as relatives.

Jumping into the vehicle, Mrs. Havens' forearm was pinned by a sharp trim piece.

Police, unable to free her, broke off the trim and took Mrs. Havens to the hospital where the strip was removed.

Traffic Deaths Below Estimate

CHICAGO (AP)—Traffic accidents during the long Labor Day weekend killed 386 persons, 34 below preholiday estimates, and the death rate was a record low for the holiday period.

The National Safety Council, which had estimated the death toll of 420, said some 16,000 persons suffered injuries during the 78-hour holiday period from 6 p.m. Friday to midnight Monday.

The traffic death toll compared with 415 for the Labor Day holiday last year and the record of 461 in 1951.

Based on deaths per 100 million miles of travel, it was the safest Labor Day holiday on record with 6.6 deaths in traffic. The old record was 8.1 set in 1954.

Littlestown DELAY OPENING OF PAROCHIAL SCHOOL TO 18TH

Rev. Dr. John E. Metz, pastor of St. Aloysius Catholic Church, has announced that the tentative date for the opening of St. Aloysius Parochial School September 11 has been changed to Monday, September 18, due to unavoidable circumstances in the progress of the renovation program.

Miss Wanda Morelock, daughter of Mr. and Mrs. Walter Morelock Jr., E. King St. Extd., and Miss Susan Reaver, daughter of Mr. and Mrs. Donald Reaver, W. King St. Extd., and both members of the June graduating class at Littlestown High School, left on Tuesday to begin training at the York Hospital School of Nursing.

Mr. and Mrs. William Richardson, children, William Jr., Patricia and Thomas, Massapequa, N. Y., visited their parents, Mr. and Mrs. Edward T. Richardson Sr., E. Myrtle St., enroute to a vacation at Williamsburg and a return trip, which immediately preceded a business trip for Mr. Richardson to Japan.

Miss Linda Strevig, daughter of Mr. and Mrs. George W. Strevig, W. King St. Extd., left Tuesday to begin her Freshman year of studies at East Stroudsburg State College, where she plans to major in physical education. She was accompanied to East Stroudsburg by her parents.

Miss Susanne Blocher, daughter of Mr. and Mrs. Hadley W. Blocher, E. King St., returned to East Stroudsburg as a "phys ed" major after spending the summer vacation at her home.

Neighborhood Chairman Mrs. Charles E. Ritter has announced that there will be a meeting of all leaders, assistant leaders and other registered adults in the local Girl Scout organization on Tuesday at 7:30 p.m. at the Community Center.

Miss Grizelda Hahn has enrolled in nurses training at Washington Hospital Center School of Nursing. A 1961 graduate of Littlestown High School, she is the daughter of Mr. and Mrs. Norman J. Hahn, Park Ave.

Housewife Foils Burglar Attempt

ST. PETERSBURG, Fla. (AP)—A pregnant young housewife surprised a Negro burglar in her home, chased him out onto a busy street and held him at bay with an empty pistol until police arrived.

Sandra Cutts, 19, said she arrived home with her one-year-old daughter Wednesday after having lunch with a sister. She found the burglar, identified as Arthur J. Newton Jr., 15, in her kitchen.

She put her baby down, grabbed the pistol and chased Newton out of the back door, down an alley and out onto the street.

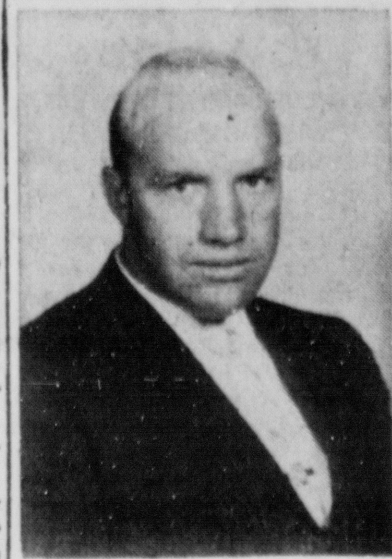

"I got so mad I didn't have time to get scared," she said. "It's a good thing he stopped, or else I don't know what I would have done. I didn't even have any bullets for the gun."

Police said they found two watches, a ring and several other items belonging to the Cuttses stuffed in Newton's shirt. He was held by juvenile authorities.

LONDON (AP)—Princess Alexandra, 24, is studying Japanese in preparation for her trip to the Far East in November. Her visit to Tokyo will be the first to Japan by a member of Britain's royal family since before World War II.

The British Embassy in Tokyo has sent books with simple everyday expressions in Japanese to Queen Elizabeth's pretty first cousin.

CAMDEN, N.J. (AP)—Gus de Bouno, 53, Atco, N.J., was electrocuted Wednesday when the boom of a crane touched an overhead electric line, sending a high voltage charge through a guy wire he was holding. De Bouno was working as a road construction foreman.

Spencer Brent, son of Mr. and Mrs. John L. Brent, Fairfield R. 1, has been assigned to the Delta Air Lines office at Atlanta, Ga., according to an announcement today by the Weaver Airline Personnel School, Kansas City, Mo. Brent attended Gettysburg High School.

NUN FOR 50 YEARS DIES IN PHILADELPHIA

PHILADELPHIA (AP)—A Requiem Mass will be celebrated Friday for Sister Mary Daniel, prefect of discipline at Little Flower High School for the past 50 years.

Sister Mary Daniel, who had been stricken ill recently, died Wednesday in Mount St. Joseph's infirmary in Chestnut Hill.

She was a member of the Sisters of St. Joseph for half a century and was well known in the educational administrative field. She had been in charge of St. Vincent's High School Annex, Germantown, prior to assuming her post at Little Flower.

Sister Mary Daniel also had served at schools in the Epiphany, St. Gregory, St. Francis of Assisi and Our Mother of Consolation parishes in Philadelphia and at Sacred Heart High School in Vineland, N.J.

SISTER OF BISHOP

She was a native of Bethlehem and a sister of the late Most Rev. Eugene McGuinness, bishop of Oklahoma, who died in 1958.

Survivors include four sisters, Mother Mary of Bethany, principal of St. Hugh's School here; Mother Rose Vincent, principal of St. Robert's School, Chester, and Elizabeth McGuinness and Mrs. Rose McFadden, both of Bethlehem.

Also surviving is a niece, Sister Eugene Joseph, supervisor of the sisters of St. Joseph teaching in elementary schools in Philadelphia, Allentown and Harrisburg and Wilmington, Del.

The mass will be held in the convent chapel in Chestnut Hill. Interment will be in the community cemetery.

NEGRO PASTOR FATALLY HURT DURING BRAWL

KANSAS CITY, Mo. (AP)—The Rev. A. G. Wright of Detroit, died today of injuries suffered during an outburst of jostling and pushing Wednesday when two factions of the Negro National Baptist Convention, USA, sought control of the rostrum at Municipal Auditorium.

He fell off the stage during the struggle. His head hit the floor. He died at 3 a.m. without regaining consciousness, attendants said. He was about 50 years old.

Delegates to the annual meeting are scheduled to elect officers today under a court-approved plan designed to prevent further violence. About 6,000 delegates are here for the meeting.

Heads of the factions are the Rev. Dr. Joseph H. Jackson of Chicago and the Rev. Dr. Gardner C. Taylor of Brooklyn. Both claim they were elected president at the 1960 convention in Philadelphia.

At a hearing Wednesday in Circuit Court, the leaders agreed that the Rev. Dr. D. A. Holmes of Kansas City should preside over today's election.

The court order enjoined the delegates from "any boisterous, unruly, or other conduct tending to interfere or obstruct the business of the convention."

Police swarmed through the auditorium Wednesday in an effort to restrain the two factions.

Mayor H. Roe Bartle finally quelled the hubbub. He told the delegates: "If you came to Kansas City to raise hell, you should go home."

MOSCOW (AP)—Four men convicted of attacking police headquarters in the town of Aleksandrov have been sentenced to die before a firing squad, the newspaper Evening Moscow reported. Five accomplices received 15-year prison terms.

The report said the nine men attacked the police station in Aleksandrov, about 50 miles north-east of Moscow, after "interfering with policemen in the performance of their duties."

DRIVERS' TEST MAY CUT AUTO INSURANCE FEE

By ALTON BLAKESLEE

NEW YORK (AP)—A new drivers' test is slashing auto insurance fees for boys and young men who are really good drivers.

The test successfully predicts whether the male aged 16 to 25 is likely to be a safe driver or an accident-prone hotrodder, psychologist Charles F. Haner of Grinnell College, Iowa, said today.

The test is purely psychological. It does not involve vision, reflexes or any driving skills—just general attitudes.

4 TIMES AS MUCH

The young man who scores high gets insurance at the same rate which adults pay. Lower scores kick up premiums. Those in the lowest group pay four times the adult rate.

At present, most insurance companies automatically charge double the adult rate for all males 16 to 25, because this age group has such a high proportion of accidents, Haner said. Rates may be four to five times normal for accident repeaters. Girls of this age do not pay such penalty rates.

In two years' experience with 4,000 young male drivers, the test has worked well in predictions, Haner told the American Psychological Association.

40 PER CENT HIGH

He said 24 per cent of young men had been classed in Group 1, the low risk group. And their accident rates have been slightly below that of all adult rates in Iowa, he reported.

About 40 per cent were put in the two highest risk groups. They have had 50 per cent more accidents—and more serious accidents—in which they were fully to blame than would be expected from the number of drivers involved.

Brazil's Goulart Takes Office Today

BRASILIA, Brazil (AP)—Leftist Joao Goulart prepared to take on the virtually powerless job of Brazil's president today and the nation seemed headed for a middle of the road government that may turn a cold shoulder to Fidel Castro and retreat from close ties with the Communist bloc.

After a 12-day crisis that began with the resignation of President Janio Quadros Aug. 25, the South Brazilian rancher, Brazil's vice president since 1956, was to be inaugurated this afternoon as chief of state. But Congress has stripped the office of virtually all power to satisfy military leaders who feared the leftist Goulart would open South America's largest nation to Communist takeover.

PLACE FOSTER ASHES IN WALL

MOSCOW (AP)—The Soviet Union gave a state funeral in Red Square Wednesday to William Z. Foster, long Moscow's chief political supporter in the United States. His ashes were laid to rest in the Kremlin wall.

A military band played funeral dirges.

In the Kremlin wall, Foster joined two other American spokesmen for communism—reporter John Reed, who wrote "Ten Days that Shook the World"; and Big Bill Heywood, leader of the International Workers of the World.

Foster, who died last Friday in Moscow at the age of 80 after coming here for medical treatment, has the distinction of being the only candidate for the American presidency ever buried in the Kremlin wall. He ran three times on the Communist ticket.

Red Square was no more than one-quarter filled and almost all those there were soldiers. No one attended from the U.S. Embassy.

Khrushchev Calls For Peace Treaty

MOSCOW (AP)—Premier Khrushchev called again Wednesday night for a multinational German peace treaty conference after receiving a message from the Belgrade conference asking him to open peace talks with President Kennedy.

Khrushchev, speaking at a Kremlin banquet in honor of Indian Prime Minister Nehru, made no reference to the message Nehru had brought him from Belgrade.

"On this basis," Khrushchev declared, "the question of the normalization of the situation in West Berlin would be solved."

"Our proposals relating to these problems in no way prejudice the interests of the Western powers," he asserted once more.

Youth Killed, Two Injured In Crash

BUTLER, Pa. (AP)—A youth was killed and two other persons injured Wednesday in a truck-auto crash on a rural road about eight miles east of Butler.

The auto driver, Thomas I. Miller, 18, of Fenelon R. 1, was killed.

Injured were his passenger, Theodore Walker, 22, also of Fenelon R. 1, and truck driver Victor L. Gould, 38, of Butler. Both were hospitalized.

SEEKS SENATE SEAT

ALIQUIPPA, Pa. (AP)—A Beaver County contractor says he'll seek the Republican nomination for U.S. senator next year.

Harold J. Vaughan of nearby Hopewell Twp. announced his candidacy Wednesday. He unsuccessfully sought the GOP gubernatorial nomination in 1958.

Ghana Chief Beats Nehru To Moscow; Workers Are Kept Busy Switching Flags

By PRESTON GROVER
MOSCOW (AP)—Prime Minister Kwame Nkrumah of Ghana beat India's Prime Minister Nehru into Moscow by 40 minutes Wednesday and presented Soviet Premier Khrushchev the first direct word from Belgrade, Yugoslavia, of the non-aligned summit conference call for peace talks.

Khrushchev embraced the African leader at the foot of the gangplank of his Soviet-built Ghana Airways airliner.

The two went immediately to a private room at the airport to begin discussion of the conference message calling for a meeting of Khrushchev and President Kennedy.

Nehru landed 40 minutes later for an official visit to the Soviet Union. It was not clear whether he would join Nkrumah in the appeal, although the Belgrade conference had asked him to.

Nehru's visit had been planned for more than two months and some sources said he was reluctant to get it involved in world politics by bringing in the Belgrade appeal.

Khrushchev emerged to greet Nehru, President Leonid Brezhnev, Foreign Minister Andrei A. Gromyko and other Soviet leaders were in the welcoming party.

PRESENT FLOWERS
Indian girls wearing saris presented Nehru with flowers.

Nkrumah's decision to come here, of which the Russians were advised only Tuesday night, threw the airport into confusion.

Shortly before the African leader arrived, workmen scurried around taking down Indian flags and portraits of Nehru which had been put up to welcome the Indian leader.

SUBSTITUTE FLAGS
They substituted flags of Ghana and pictures of Nkrumah. As soon as Nkrumah and Khrushchev went inside, the workmen were back to take down the Ghana decorations and put the Indian ones back up.

It was expected that Nehru personally would urge Khrushchev to accept the U.S.-British proposal for a moratorium on nuclear weapons tests above ground. Radio Moscow had scornfully dismissed the Western proposal.

Denunciation of the Western proposal was accompanied by continuing press attacks against the United States, Britain, France and West Germany unparalleled in the last few years.

The government organ Izvestia published an attack on France coupled with a warning that Paris would be obliterated by Soviet bombs in the event a "limited war" starts over Germany.

Britain has been under almost daily attack for allowing West German troops to train on her soil, while France's nuclear tests in the Sahara were given as one of the main reasons for the Soviet Union resuming her tests.

PREDICTS END OF MANKIND IN NUCLEAR WAR

STOWE, Vt. (AP)—An all-out nuclear war in the 20th century would mean the end of mankind as we know it by the 40th century, the president of the American Academy of Arts and Sciences says.

Dr. Hudson Hoagland, the academy president, told a news conference Tuesday that every one alive after such a war would have suffered genetic damage and in succeeding generations the whole character of man would change.

Hoagland was in Vermont for the seventh annual conference on science and world affairs—known in other years as the Pugwash Conference because it began at the Pugwash, N.S., home of Cleveland, Ohio, industrialist Cyrus Eaton.

13 REDS PRESENT
The two-week meeting is being attended by 47 scientists from 12 nations, 13 of them from the Soviet Union.

Opening the conference Tuesday, Hoagland stressed the danger of genetic damage from a nuclear conflict.

"It is appalling to consider the arrogance and stupidity of any one generation of man who, for political differences, is prepared to destroy irreplaceable genetic material," he told the scientists.

Nuclear war is the ultimate horror, Dr. Hoagland said. The big contribution of meetings such as the one now going on is to gain time for the world to agree on ideological differences, he said.

Every day we stay alive is a gain, he told his news conference.

arrived Friday. The truck, which has a Ford cab and an American La France body, is on display at the engine house. The truck has been named for former Ambassador Kennan, who has a farm on the outskirts of town. The local firemen who motored to Elmira, N. Y., to obtain the truck were Lloyd "Pete" Chronister, Donald Gibbs, Kurvin Krout, Calvin Lerew, John Lerew and Melvin Eisenhart. The truck will also be displayed when the auxiliary holds an ox roast September 23 for the benefit of the truck fund. A Lancer car will also be given away at that time.

The firemen were called Sunday afternoon at 3 o'clock to assist at the barn fire of Mr. and Mrs. Nevin Resh, Bermudian. The East Berlin area had a severe storm beginning at 2:30 o'clock which caused the blaze that burned the barn to the ground.

HOUSE GROUP OKAYS FUNDS FOR PROJECTS

WASHINGTON (AP)—The House Appropriations Committee Wednesday approved a \$960,369,500 water resources construction program for Army Engineers and the Reclamation Bureau this year.

It provides money for 436 projects during the year that started last July 1. These projects have a total estimated federal cost to complete of about \$17 billion.

The bill is the last major appropriation measure pending before this session of Congress.

FINAL PASSAGE
It is scheduled to be brought up in the House for consideration Thursday but if a roll call vote is demanded final passage will be delayed until Friday because of a primary election in New York.

The amount approved is \$57,610,500 under that recommended by President Kennedy and \$46,512,980 less than Congress appropriated last year.

The committee included funds for 64 new construction starts on projects across the country.

These amounts are provided in the bill:

Army Engineers \$751,618,000; Reclamation Bureau \$208,751,500.

The following is a list of funds approved by the House Committee for Army Engineer flood control and navigation projects:

DELAWARE

Construction—Inland waterway, Delaware River to Chesapeake Bay \$1.2 million.

Planning—Indian River inlet \$25,000.

MARYLAND
Construction—Baltimore harbor and channels \$5 million.

PENNSYLVANIA
Construction—Allegheny River Reservoir (Kinzua) N.Y. and Pa. \$15 million.

Bethlehem \$1.5 million; Brookville \$225,000; Butler, Connoquenessing Creek \$183,000; Curwensville Reservoir \$75,000; Delaware River, Philadelphia Naval Base to Trenton, Pa. and N.J. \$12 million; Erie Harbor \$500,000; Kettle Creek Reservoir \$1,233,000; Maxwell Locks and Dam, Monongahela River \$9.3 million; Turtle Creek \$400,000; Washington \$400,000.

Planning—Blanchard Reservoir \$85,000; Delaware River, Philadelphia to sea (dikes) Pa. and N.J. \$30,000; Dam 4, Monongahela River \$140,000; Elkland \$25,000.

The committee allowed \$14,356,000 for Army Engineer project surveys, adding funds above the

Why all the red tape?

You can understand why we don't sell narcotics without a physician's prescription. But maybe you've wondered why we're so fussy about other things ... like penicillin, sleeping pills, the new tranquilizers. These potent medications are called "legend drugs" and you have to have a prescription to get them. Reason: Uncontrolled use may do more harm than good. Only your physician knows whether you should use them or not—and, if so, just how much. So we require a prescription. It's a matter of professional ethics and the law. Always it's common sense.

ALERT POLICE FOR OPENING OF N. O. SCHOOLS

NEW ORLEANS, La. (AP) — New Orleans begins its second year of public school desegregation today with pleas for peace and order from civic, religious and business leaders.

Police Supt. Joseph I. Giarrusso warned again Wednesday night that his 1,100-man force had orders to immediately arrest any demonstrators.

The half dozen elementary schools ticketed for desegregation will be sealed off to the general public.

Only two of the schools—McDonogh No. 19 and William Frantz, which were integrated last Nov. 14—were scheduled to receive Negro pupils immediately. **OTHERS OPEN SEPT. 15**

The other four elementary schools, scattered over the city, will desegregate first grade classes no later than Sept. 15, according to the Orleans Parish (County) School Board.

At McDonogh No. 19 and Frantz the first of their race here to attend public school classes with whites, begin studies in the second grade.

Angry white mothers, protesting what they called forced integration, pulled their children out of both schools last fall. At McDonogh No. 19, where three Negro girls went to classes, there was a complete boycott by the whites.

At Frantz, a handful of white children remained with the lone Negro child.

TAUNTS WHITE PARENTS
For the first several weeks of desegregation last fall, segregationists taunted the few white parents who escorted their children to Frantz. Then police sealed off the area and the demonstrations became sporadic.

Earlier this week, the strongly segregationist Citizens Council called for a continuance of the

House Kills Bills Increasing Seats

WASHINGTON (AP) — The House judiciary committee Wednesday with one swoop killed 20 bills aimed at increasing the House membership.

The action wiped the slate of all legislation designed to save congressional seats in 16 states losing them because of population shifts.

Rep. Francis Walter, D-Pa., had submitted a bill approved by a Senate Judiciary subcommittee which would have increased the House membership by three. Walter said this would take care of the three members that will represent Hawaii and Alaska after 1962 without cutting into the 435 seats assigned to the older states.

Pennsylvania loses three seats as a result of the latest population figures. The state legislature thus far has been unable to come up with a reapportionment plan. If nothing is done the state's congressmen will have to run at-large.

Olean Red Sox Win Pony League Title

OLEAN, N.Y. (AP)—The Olean Red Sox, who could do no better than fourth place in the regular season race, have won the Class D New York-Pennsylvania baseball League playoff title.

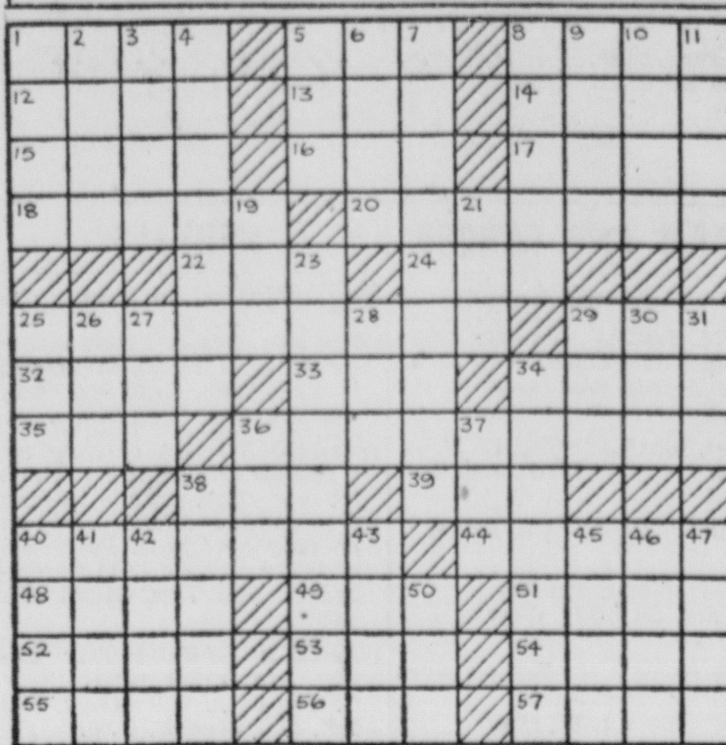

Olean defeated Batavia, which finished third in regular play, 7-4 Wednesday night to sweep the best-of-three final playoff series, 2-0.

Homer Green, who belted a two run homer in the sixth and drove in another run in the seventh, and Gene Beard, who batted in two runs, shared hitting honors for Olean.

boycott. Several of the mothers who withdrew their children were listed among signers of a declaration of principles of a "committee of mothers for their children" appearing in today's Times-Picayune.

The advertisement said that federal persistence in integrating schools would make it necessary to operate private schools.

Recover Radiation Test Capsule As Titan Missile Blazes 6,100-Mile Course

CAPE CANAVERAL, Florida (AP) — An intercontinental range Titan missile blazed 6,100 miles Wednesday night and ejected an experiment-filled capsule which was picked up by a recovery vessel.

The successful flight matched the longest previous distance covered by Titan and edged the ocean-spanning rocket closer to operational readiness.

Within a few weeks, Air Force troops are scheduled to launch a Titan from Vandenberg Air Force Base, Calif., to signal that the big ICBM is ready for deployment. It will be this nation's second operational long-range rocket, joining a growing force of Atlas missiles.

MAIN OBJECTIVES
The Air Force said main objectives were to obtain data on propulsion, control, guidance and electrical power systems and the nose cone performance. The dis-

ance traveled was only 200 miles less than the initial planned combat range.

As a dividend experiment, a 30-inch cylindrical capsule popped out of the nose cone during reentry and parachuted into the impact zone about 1,000 miles southeast of the South Atlantic island of Ascension.

The package carried fruit flies, skin tissue and other living organisms. It was one of a continuing series of nose cone tests to determine how the specimens are affected by space radiation up to an altitude of 500 miles.

The results could help decide the amount of radiation shielding needed on manned space vehicles.

Two JC-54 aircraft of the 6550th Operations Squadron, Air Force Missile Test Center, spotted the capsule floating in the water minutes after it landed and directed the ocean range vessel Sword Knot to the scene.

give the United States six Army and two Marine divisions, now based inside the country, for movement abroad if needed to bolster the Western defense line in Europe.

Five U.S. infantry and armored divisions now are arrayed in West Germany and a small force of 6,500 is in Berlin.

Secretary of Defense Robert S. McNamara is reported to have asked the Army if it could be in position to send six divisions abroad by mid-November.

TO SERVE IN U.S.

If a decision is made to reinforce the troops facing the Soviets in the critical weeks ahead, the Massachusetts, Wisconsin, Pennsylvania and Texas Guard divisions would replace regular divisions within the continental United States.

There they would receive more rigorous training and would be available for use on the European front, if necessary, or to cope with other troubles which might break out elsewhere.

Call-up of the four Guard divisions would increase U.S. ground strength to 18 Army divisions, plus three Marine.

OSCAR WINNER FINDS NICHE IN HOLLYWOOD

By JAMES BACON

AP Movie-TV Writer

HOLLYWOOD (AP)—Eva Marie Saint is staging her own little revolution against the dire threat of runaway production.

The blonde Oscar winner is making "All Fall Down" at MGM, her first picture in more than a year.

The reason is not lack of offers. **LIKES HOLLYWOOD**

"I was just determined to stay in Hollywood," she says. "This is the greatest place in the world to make pictures."

In 1960, Miss Saint, her husband, director Jeff Hayden, and their two small children broke up housekeeping and lived in a hotel in Israel for many months during the filming of "Exodus." "The most beautiful location shot in the picture showed a lush, green valley. Last week Jeff and I drove up to the Ojai Valley and saw the exact setting."

CHEAP LABOR

Eva gives the tip-off on why Israel and not the Ojai Valley was chosen for the film.

"They only paid the Israeli extras 50 cents a day." (They get around \$20 minimum here.)

Since "Exodus," Eva was offered the "El Cid" role in Spain later taken by Sophia Loren, a picture in England and one in Rome.

HUSBAND DOES TV

"I turned them all down," she says. "It's crazy. Jeff is established directing television here. Darrell, our oldest, is in school now. I love Hollywood. It's where I want to work."

Eva says she enjoyed seeing Israel.

"But the next time I want to go on a vacation. Working in a movie is a good way to see hotel lobbies—but not a country."

Father Dies On Penn State Campus

UNIVERSITY PARK, Pa. (AP) —John Melino Sr., 48, of Monessen died of an apparent heart attack Wednesday on the campus of Pennsylvania State University.

Melino, his wife, Martha, and a son, David, 18, were at Penn State to attend a counseling session for incoming freshmen and their parents.

The boy is slated to begin studies at the university this fall. Melino was stricken in a student union building.

WINS MORE PRIZES

TIMONIUM, Md. (AP)—Former President Eisenhower won two more prizes Wednesday at the Maryland State Fair. His entries in the senior bull calves and junior champion bull competition representing Eisenhower Farms, Gettysburg, Pa., won ribbons. Earlier this week Eisenhower entries won six other ribbons.
